6 Beacon Kronos is a top horse who comes from a nice victory. Easier opponents now and he should be allowed to take over the lead. Our winner. **1 Swagger** is the main challenger. He was too fiery last time and galloped in the lead as defeated. He is fast from the start but wants a back now. **2 Just Celebration** is a sharp finisher but was unlucky behind our favorite last time. **4 Otroligosåfin** is a quick starter and can get a nice trip. Was not at his best last time though.

7 Dominica Face is the best horse in this field. Two starts back she galloped shortly after the start but showed 14.3/1900 meter after that. Last time she met top horses in the Breeders Crown. Top chance without a mistake. **12 Cenna** has great speed and has to travel far for this. **9 Sessan Of Man** showed nice speed resources when winning and is training well after the break. **8 Rupie** has taken fairly cheap wins but is perhaps the fastest horse the first bit despite this draw. Place chance.

6 Airborne won from the outside of the leader second last finishing 13/1000 meter and was unlucky last time when he was too fiery after the restart. Has the highest capacity and top chance without a mistake. **11 Dalens Elvis** is also on the way up. He was second in the V75 behind Kingen Mearas last spring, and last time he faced elite four-year-old horses. Early contender. **12 Tour Princess** can do it tough and is better than the latest results show. **4 Re Express** is fast enough for victory but has had a pause.

13 Stjärnblomster is an exceptional horse in every way and when she only meets mares she uses to be unbeatable. Beat several of these opponents last time. Possible banker. **5 Ethel** did well behind Stjärnblomster a bit behind last time. She has a 20 meter advantage towards the favorite now and could find an early lead. **9 Hulte Alva** attacked early and helped Stjärnblomster last time and followed well. **11 Ragnhild W.M.** won this race last year and is probably better this season. Still tough task.

10 Jackpot is a really good horse who is on the way up again. Put in a sharp finish second last and came back strongly after a gallop last time. Good chance with the right trip. **9 Burn Notice** scored a nice victory from first over in June but has been a scratch after the last start. Is training well though. **12 Exhibition** has also been a scratch after the last race. Has good skills. **4 Hotspot Simoni** has been improved after throat surgery and will probably reach the front again.

9 Tekno Filur galloped a bit unexpectedly after 600 meters last time, but has otherwise been brilliant mostly every time. Our pick. **10 Re Vital** has done well for the new trainer but mostly run in front as he is a quick starter. Was quite good last time too. **5 Ava Modde** is very speedy and won easily against mediocre horses last time. Goes for the front here? **12 Rams Bror** is a fine horse who has competed in tough companies. He has been ill though and the shape is a question mark.
