4 Burn wins quite often and showed the right attitude to score the last victory. Is well drawn and should have a good chance to win again. **6 Zero Hugs'n Kisses** won a big race from the lead two races ago. Finished well in the last race against tougher horses than today. Early choice. **2 Nikki BR** is better than the latest results show. Has sprinted nicely towards the end against better opposition than this. Good post. Has to be considered. **3 Quantum Tile** was very closely defeated as second in the last race and can be at least a contender for a place bet in this field.

8 Valdorf Rubin is very good for this class and has a nice task here despite this number. Finished quickly after an inside trip in the last race and had won two straight races before that. **7 Frikar** has shown good form of late and is consistent and good. He has a bit of a tricky number too but should be considered early. **9 Hassel Herakles** was fourth behind Frikar in the last race and is looking for revenge. He will probably get a defensive trip from here. Contender behind the favorite. **6 Ty** has not won for a long time but could be a place bet.

6 Supercharged is our pick in this rather weak race. He has been consistent and good without winning but is now coming back after a long layoff. Good chance if well prepared. **5 Maximus Fayline** took his first win in the 19th start last time. He has had a layoff since then but is an early choice with a similar performance. **3 Newton B.R.** was second from the lead in the last race and will probably go for the front again. Has to be considered if he gets there. **7 My Secret Love** was close to winning as second two starts back but galloped as third in the last race. Can be at least a place bet.

6 Uberg Kos earned the most money last year and has done quite well this season. Won easily from the lead in June and has finished well since then. A bit tricky number. **4 Aske Faks** got locked in as second but took a good win after that. Did alright in a bigger race last time and is driven this time by Lars Anvar Kolle. **2 Mjölner Tordis** has earned the most money this year without winning. Is consistent and good and a very early choice behind our top duo. **5 Stolt Elmar** was second from the lead in the last race and is looking for revenge. He probably goes for the front again and is possible if he succeeds.

8 Uberg Orion is coming off victory and is definitely good for this rather weak race. He is above all strong and usually finishes well. Nice chance. **9 Kos Loke** finished quickly to a second place in the last race and seems in good form. Hopes for quick pace from this number in the second line. **1 Storhaug Stjerna** is better than the latest results show but has galloped towards the end. Has to avoid a mistake first and in that case he is possible from this perfect lane. **5 Birk Gullmin** galloped in the battle for a second place last time and is looking for revenge. Has not won yet after 18 starts this year but could surprise.

3 Liam was perhaps not at his best last time but took a very easy win from the lead two starts back. He is a quick starter and from the front he will not be easy to beat. **4 Valentina** never had a real chance from a difficult post in the last race at Färjestad. She has otherwise put in several good efforts this year and is an early choice together with Adrian Solberg Akselsen this time. **9 Gaviria** was third in the last race after a very long layoff and is certainly improved by that run under her belt. **7 Vigilante** is a little better than the latest results show and can be at least an outsider.
