C1 - PRIX H.H. SHEIKH HAMDAN AL MAKTOUM - 2100m (a1 5/16m) - TURF - Condition Race - Flat - EUR € 16.000

1. NAZWA - Ran a solid race at Group three level last time out when finishing 4th and the step up to 2100m looks ideal. One to beat

2. ALMADORA - Finished 2nd last time out over 1600m in a small field and with this being more competitive, she has her work cut out. Others preferred

3. MUSCAT - She won on local debut signaling that there is more to come and that she is one to be followed. Include in all bets

4. YASSAMIN AL CHAM - Got the maiden out the way at the sixth time of asking and with a bit of confidence on her side, she should continue improving. Each way chance

5. PETITE AATIKA - She has finished 3rd in her last two outings albeit well held and would need to improve a bit to challenge for the win. Place chance

6. ZAWANIA STAR - Has gone backwards after that maiden win and she needs to rediscover her form in order to be competitive. Hard to fancy

7. JENNAH DU PRELAT - Finished 4th in the same race as Almadora and Chihab Al Cham and based on that has more to do. Improvement required

8. CHIHAB AL CHAM - Finished 3rd, 1L behind Almadora last time out and she would need to improve more to reverse that form. Others preferred

Summary : NAZWA (1) ran in a far stronger race last time out and was far from disgraced. Down in class for this assignment, she should take all the beating. MUSCAT (3) did everything you could ask for on her local introduction and there is no doubt more to come. PETITE AATIKA (5) has the form to earn for connections. YASSAMIN AL CHAM (4) should be on the up and can pop up again.

1. JOLIE VILLE - Winner at this course over 3500m in a chase back in September last year. Brings the right form to the table and looks a serious threat. Big runner

2. KLITCHKO DE BELAIR - Finished 2nd last time out over 3800m and with that experience under the belt in his chasing debut, he is sure to progress. Should run well

3. FICTION DU BERLAIS - Won on chasing debut last time out at Vittel over 3600m and she is a runner that warrants respect. Include in all bets

4. KUSHINDA - Finished 5th three starts back in a chasing race and huge improvement is needed just based on that effort. Hard to fancy

5. JADE DES PLACES - Finished 3rd last time out on her chasing debut but was comfortably held and will need to take a step forward. Others preferred

Summary : JOLIE VILLE (1) seems to be enjoying life in chasing races and a bold bid is on the cards in this contest. KLITCHKO DE BELAIR (2) would have learnt a lot last time out and can only go on from that effort. He looks to be one of the dangers. FICTION DU BERLAIS (3) won last time out and looks ready to strike again if the top two fail to deliver. JADE DES PLACES (5) needs to improve

- 1. KISS ME DE TANUES AA** - Finished 7th last time out, 5L behind the top selection and she could struggle to reverse the form. Could find a minor spot
- 2. LA RUIZA AA** - Runner up in her first two starts before finishing a well beaten 6th last time out but she should bounce back to her best here. Winning chance
- 3. KOALA AA** - His penultimate start was far better than what he produced last time out and despite being held he could be the dark horse here. Upset potential
- 4. KRIPTOGENE D'AYZA AA** - He has had seven starts to date and has failed to produce anything of substance which makes it hard to fancy this runner. Easy to look elsewhere
- 5. HAWKINS AA** - He finished 7th on debut, well held by quite a few reopposing types but there is room for improvement. Place chance
- 6. KLIMO D'OC AA** - Dam raced three times and unfortunately did not do much. Newcomer that could do with some racing experience. Others preferred
- 7. FALSTAFF DU PECOS AA** - He finished 4th last time out, 8L behind our top selection and it will be difficult for him to reverse that form here. Can place
- 8. KALY DE LA BRUNIE AA** - Finished 5th last time out behind the top two and has her work cut out to turn that form around. Place claims
- 9. KRISTALINE DE TANUES AA** - Two uninspiring runs to date and there is little to get excited about from this individual. Hard to fancy
- 10. KALINKA LABOUEYRIE AA** - Finished 8th on debut behind majority of these rivals and would need a massive turnaround in form to challenge. Would be a shock winner
- 11. NOUVELLE VERSION AA** - Finished last of six last time out over 2100m and would need to make significant improvement to get involved. Others preferred

Summary : LA RUIZA AA (2) is better than her last and is the one to beat in a contest that is quite weak. She has the measure of a number of runners in this race and it seems unlikely to change. FALSTAFF DU PECOS AA (7) can improve to get involved. KALY DE LA BRUNIE AA (8) is the only runner that has won a race but has a tough ask here. KISS ME DE TANUES AA (1) would need to improve but can place here.

- 5. CALEDONIA** - Beaten out of sight on debut when back in 7th position over 1400m and requires huge improvement. Would be a shock winner
- 6. MNESARETE** - Ran 2nd over 1700m over in Spain and if taking to the conditions in her debut effort in France then she'll be a player. Warrants an inclusion
- 7. THE PLANETS** - Her last run is best ignored after finishing 10th and the drop in trip could just be the key to her chances. Each way claims
- 8. MINEKO** - She has finished 7th in her first two runs over in the UK and could make decent improvement in her new surroundings. Follow
- 9. VERSION COX** - She ran a solid 3rd last time out over 2200m and is in some decent form so would be deserving of a win. Each way chance
- 10. SAFO DE MITILENE** - Dam won twice over in Spain from 1400m - 1600m. Newcomer that could do with some racing experience. Others preferred
- 11. SUCCUBA** - Dam was unraced but this filly wouldn't need to be anything special to win on debut. Follow the market carefully
- 12. DEESSE FREYJA** - Dam won once over 2000m on debut but failed to do anything after that. Follow in the market
- 13. SCISSOR BLUE** - Dam raced once without any success but this newcomer could be one to keep an eye on. Respect if market speaks volume

Summary : In a wide open affair, a chance is taken on THE PLANETS (7) who is better than her latest effort and should show up in this contest with the drop back in trip in her favor. SAN FELIPE (4) should be on the premises after his debut performance. VERSION COX (9) has the right type of form to win a race of this nature. SUCCUBA (11) could be anything on debut and warrants the utmost respect.
