

1. MARRE'S DREAMBOY

Is in great shape and will get a nice journey with this number. Could earn a lot of money then.

Gender:	Stallion

Life:	20 4-5-5
Record pace:	1.10,6a
Prize money:	842 250 SEK

Greatest victory:	Östersunds Stora Stayer-lopp 2021, Östersund

Has competed for Jörgen Westholm and shown good ability. At the same time he has gone under the radar and as a three-year-old he scored two wins but never earned even 100,000 SEK in a race. Was third in the elimination heat to Swedish Travkriterium and was about to take a place among the better horses of his year. Has developed even more this season and his biggest victory came in a stayer race in Östersund with 100,000 SEK for the winner. Made it to the Derby and is now ready for another big final. On the way up and driven by Erik Adielsson. Perfect number.

3. HIRONDELLE SIBEY

Tough mare and the best French contribution in this race. She is versatile and can do it tough. Challenger.

Greatest victory:	Prix Charles Tiercelin 2021, Vincennes

Won the debut as a two-year-old and scored two wins in five races during the first season. Needed ten runs as a three-year-old to score the first victory but finished that season strongly with two qualified wins and became one of the better horses of her year. As a four-year-old she has improved even more and in the beginning of this season she scored four impressive wins in four bigger races from January until May. After the summer break she is better than ever. Won the elimination heat from outside the leader and showed great skills. She is the best French horse and a tough challenger.

2. SAN MOTEUR

Wins often and comes from a comfortable victory in the lead. Is better drawn than the main rivals.

Greatest victory:	Second in Svenskt Trav-Kriterium 2020, Solvalla

Wins often and started with five victories as a three-year-old. He was the favorite in Kriteriet but there he got defeated for the first time. He was very brave though and came in second. Has only started four times this season as a four-year-old and has aimed for the bigger races this autumn. He won the seasonal debut this spring and has three victories in four runs in 2021. Scored a good third spot in the Derby after attack with one lap to go but now he is certainly extra prepared by trainer Goop, who will go for an even better result in this European Derby. Has got a better number than the main rivals.

4. CALGARY GAMES

Has done everything right and been glorified a lot. Won from outside the leader in the Derby and has a good chance to repeat that effort here.

Gender:	Stallion

Greatest victory:	Svenskt Trav-Derby 2021, Jägersro

Has had a good reputation during his whole career and he has been very heavily backed so far in all starts. Won three runs as a three-year-old but never met tougher opponents then. Won the seasonal debut in July and started to aim for the Derby. There he outclassed his opponents in a way we have seldom seen on a Swedish track. He won very easily from outside the leader and impressed enormously. Comes from an easy victory in the heat and the undefeated Ready Express-stallion chases his ninth win in a row. The logical favorite here.

5. MISTER HERCULES

Has been very good every now and then but this season as a four-year-old he has also been up and down. Was improved in the last eliminatin heat though.

Gender:	Stallion
Age:	4
Trainer:	Daniel Redén
Driver:	Örjan Kihlström

Prize money:	2 818 500 SEK

Greatest victory:	Breeders' Crown 2020, Eskilstuna

Created headlines already in the qualifier where he was the fastest three-year-old in Sweden. He won the first five runs and the colt looked splendid. He became one of the top favorites in the big races that year but failed in Kriteriet. Took revenge when he won Breeders' Crown though and earned 1.6 million SEK. After the winter break he started well as a four-year-old but after a win in Margarethas three-year-old league in May he has not won anymore. He has failed so far in the bigger races but was improved in the last elimination heat and chases revenge again here.

7. HELGAFELL

Early superstar who has shown nice skills. Finished well in the last race and that was his best effort this season. Contender.

Greatest victory:	Prix Albert Viel 2020, Vincennes

Was the best horse of his year in France and started with nine wins in twelve starts and as a two-year-old he won five out of six races and impressed a lot. Started also well as a three-year-old and earned a lot of money in Prix Albert Viel in June. In October he scored a very comfortable win in the lead in the European Championships for three-year-old horses and that was an even more qualified victory. He has not been as good as a four-year-old though and is still chasing the first win of the season. Finished very fast in the last elimination heat though and seems back in good shape. Should be followed today.

6. HELIADE DU GOUTIER

Has earlier challenged Hironnelle Sibey and is back in good form again. Should not be overlooked here.

Gender:	Mare
Age:	4

Greatest victory:	Prix du Vaucluse 2021, Vincennes

Started to compete as a three-year-old and was promising and successful directly with three wins and two second spots in the first five runs. Won four races as a three-year-old but did not meet the best horses then. Scored his biggest win in Prix de Vaucluse on May 21 as a four-year-old and was outstanding then. Was even better though in the race after where she finished fast to a second spot behind Hironnelle Sibey just closely defeated. Showed great skills there and comes now from a second spot after a nice trip from the back. Was not empty at the end and is on the way up after a layoff.

8. NAPOLEON CASH

Has won more than half out of eleven starts. Has not been matched against the best horses though and will find it tough to be in the mix here.

Gender:	Stallion
Age:	4
Trainer:	Timo Nurmos
Driver:	Carl Johan Jepson
Life:	11 6-1-0
Record pace:	1.12,4a
Prize money:	343 500 SEK

Greatest victory:	Elimination STL Klass II 2021, Kalmar

Another top horse trained by Timo Nurmos. After a mistake in the debut as a three-year-old he scored four wins in a row before he failed in the elimination heat to the Swedish Kriteriet and got a winter break. Started the four-year-old season with a victory in May. He has shown good capacity but finished only fifth in the elimination heat to the Derby. Made it to this final after a fourth spot in the last race but he still has a lot to prove before belonging to the best horses of his year. Carl Johan Jepson has been the ordinary driver this year and he gets a new chance here. Just an outsider though.

9. READY TONIGHT

Has not won yet this year and will not win here either. He is consistent and will try to earn some money here.

Gender:	Stallion
Age:	4
Trainer:	Peter Untersteiner

Record pace:	1.11,7a

Greatest victory:	Final Treåringsserien 2020, Kalmar

Started with three straight wins for Peter Untersteiner as a three-year-old and that season he scored five wins and earned more than 500,000 SEK without participating in the bigger races. Had a lot of problems at the beginning of this year and not until the seventh start he made it to the podium. Is in great shape now and after a defensive journey he made it to this final. Is driven by Peter's son Johan Untersteiner here, just like in the heat. Has got a nice number for a new defensive run and could earn some money here.

11. HAKIM GRIFF

Has not shown anything to be in the mix in this company. Will try to earn some money.

Gender:	Stallion

Greatest victory:	Prix Rambouillet Territoires 2019, Rambouillet

Started his career by winning the debut as a two-year-old and now, 31 starts later, he still has only one victory. He was also at least third in all four races as a two-year-old. Has not developed as expected though and as a three-year-old he made it only four times to the podium. His biggest result came in February this year when he was third in Prix d'Avignon after an inside defensive journey and a quick finish on the home stretch. Was fourth in the last elimination heat a bit behind the top three. Will get a defensive trip here and hopes to earn some money.

10. GLOBAL BADMAN

Made it to the Derby final and is very good every now and then. Got a defensive trip in the last heat. Could cause a big upset.

Greatest victory:	E3 Final 2020, Bergsåker

Was an early talent and won Breeders' Crown as a two-year-old. He was third in Uppfödningslöpningen as well and the first season ended with four wins in six runs. Started well as a three-year-old too and the biggest win came in the long E3-final on home track Bergsåker. That victory was also the first win in a Group 1-race and the biggest success both as trainer and driver for young Daniel Wäjersten. Has not convinced so far this season but made it to the Derby and now he is one of the participants in another big four-year-old final. Interesting duo and one of the big outsiders in this race.

12. WALLAWALLA BROLINE

Very tough circumstances here and the mare has not shown the ability to match these opponents. Is simply not good enough.

Gender:	Mare
Age:	4
Trainer:	Björn Goop
Driver:	Torbjörn Jansson
Life:	19 0-5-3
Record pace:	1.11,6a
Prize money:	577 000 SEK
Winning %:	0%
Greatest victory:	No victory. Fifth in Svenskt Trav-Oaks 2020, Solvalla

Mare trained by Björn Goop and she still has not won a race after 19 starts. She has met the best fillies of her year though and as a three-year-old she made it to the final of Oaks. She finished fifth there and earned 224,000 SEK which is still her best result money-wise. She has not been as good this season as a four-year-old and it was a big surprise that she could make it to this final. Is driven by experienced Torbjörn Jansson for the second time and the goal is of course to earn some money.
