3 Huddleston is in great shape and after a convincing V86-win he put in a good effort in the lead and was only closely defeated. Is all-round for the distance and our pick here. 9 Harper Seabrook did not handle the circular start in the last V75-race but this starting method is an advantage. Has convinced this autumn and he is strong and likes the long distance. 6 Axl Brown was too fiery in the last comeback race but has got one run under his belt now. Should not be overlooked. 7 Mr Charming has been improved against easier opponents. Will find it hard to beat the best horses here but looks nice.

The horse to beat. 4 Lindens Prio Ett finished fast to victory after a defensive journey and seems in good shape. Without a mistake she will challenge the favorite. 7 Höstbo Wille is not reliable but has good speed for this class. Is strong enough to get an offensive journey. 8 S.T.C.Brör is up and down but really good every now and then. Should not be underestimated. This number is nice.
