6 Little Coco looked in good shape against tough opposition in the last race. The four-year-old is a quick starter and if he takes the lead - where all four career wins have come from - he will not be easy to reach. **12 Hatrick Match** is back after a pause. In terms of capacity, he is one of the better horses in this race and should have good chances despite this number. **1 Tarantino D.E.** made a strong debut in Sweden last time, finishing third after 10.7/800. Nice post and with an opening at last, he is a contender. **3 Leandro Wibb** finished well to a second place in the last race. This distance is new, but from this starting position he should not be underestimated.

6 Gasparito was strong in the last race under the saddle. Is strong and can do it tough - good chance of winning. **4 Head Of State** is a bit up and down, but if the seven-year-old has one of his better days he should be considered early. **5 Never To Young** got locked in all energy left in the last race. Will soon score a victory and it could come here. **1 Drag Racing** is a quick starter and if he can hold the lead, it could be good enough for victory.

6 Sinatra comes back after a pause and even though today's form is a bit hard to predict, she should still have the best chance to win from a perfect starting position. **4 Holiday Island** galloped in the comeback which of course left some question marks. He is good in terms of capacity. **8 Facetime Dream** is really good every now and then and with the right journey he is an early choice. **2 Alastair** is consistent but has only one win so far. Mainly a place bet here.

3 Surpriced Tooma showed great strength in the last race and even though he beat easy horses, the impression was really good. Benefits from this distance and should have a good chance of winning. **4 Julia Sweet Success** made two gallops in the last race. Debut over this distance which is hardly a disadvantage. **5 Commander Baltazar** has done well of late and is in good form. Hasn't won a race yet but it is probably only a matter of time before he gets to visit the winners' circle. **11 La Fiesta Pellini** is both strong and fast. In the mix without a mistake.

1 Pivot Express is a quick starter and should have a good chance of holding the lead - and from the front the four-year-old is undefeated after three attempts. Good chance. **3 Bengt** has not won at the end, but is in better form than the results show. Good number and can win this race. **10 Pehoe Boko** did well in the last race and got locked in before that. Fine form and normally in the mix. **5 Blu Warlock** qualified to the Kungapokalen this spring. He clearly has the potential to be in the fight for victory here.

14 Geisha Road Grif should be able to open fast from here and can gain many meters already from the start. Our pick in this wide open handicap race. **12 Metarie** galloped last time when he was heading for the lead. Goop again and she should have a good chance. **6 Rooibos M.A.** galloped early in the last race and then looked fine as locked in over the home stretch. Could cause a surprise. **15 Staro Raili** is used to face tough opposition and should not be discounted despite this handicap.
