This task is again very nice and the horse should have top chance regardless of the trip. **7 Dancer Brodde** is disadvantaged by this lane. However, he scored a nice win from behind in a Sweden Cup heat and if he is as good again, he will be in the mix. **1 Lucifer Boko** is a quick starter and good both in the lead and from behind. **8 Y.Not Diamant** will pass many opponents in case of over-pace.

He can win from any position other than the lead, but if he comes first he is the horse to beat. **1 Monterey Market** should not be discounted with the right trip from behind. **10 Messi Hill** is the stable pleased with.
