RANK

5 Cole Blaze is unbeaten after two starts. Good draw and there are many indications that the three-year-old will be in the lead after a while and then he will be hard to beat. **12 Game Time** galloped in the last race but had put in several nice performances before that. Early challenger. **8 Prevail'em** comes from two second places in a row. However, he has been a scratch before this race and the form is a bit hard to predict. **4 Ajlexes Magicwoman** scored two good wins in a row in September. Mmerican bike for the first time here which is interesting.

RANK

12 Ragnar W. put in a strong effort when he won despite a gallop last Thursday. It was the first victory of his career, but here he looks set for a second straight. Our pick. **2 Bato Odin** has galloped in five of six starts. Has enough speed to win the race, but he has to avoid a mistake first. **7 Min Ferie** galloped just before the finish in the last race on the way to a second spot. Good speed for this class and should be considered early. **4 Sigrid B.** was decent last time, but is mainly a place bet here.

3 Nephtys Boko has been matched against tough opposition all year and done well. Now she will find the lead and from that position the mare has won six out of eight races. Difficult to beat from there. **7 Red Hot Roadster** got locked in with energy spared in the last race. One of several contenders that can win this race. **1 Timeless Sunset** is not a quick starter, but can surprise with the right trip from behind. **10 Come With Age** makes an interesting first start for this new trainer and should not be underestimated if he avoids a mistake.
