10 Estreet Simoni followed attack from fifth on the outside in the last run and finished strongly to a comfortable victory. Good chance again here. 9 Brady D.E. parked outside the leader and scored a good victory. Had got a break before the last run and is certainly improved by that one. 3 Let it be Steel can open fast and will go for the front. In that case he should have a good chance. 2 Twins Zabaidee has put in a couple of good efforts lately, but without winning.

8 Beachcomber had not raced for a while before the last start in Berlin and should be improved now. Wins often and should have top chance despite this number. 1 O.M.Inspiration started very well but has not developed as expected. Interesting number this time and the main challenger to the favorite. 6 El Toro Pellini can open fast and will certainly get an offensive start. One out of many outsiders. 2 Sophisticated Face is ideally drawn and will reach a nice position directly. Should not be overlooked.

6 Dame Lane has met much tougher opponents than these lately. Easier this time and that could be decisive. Our pick. 8 Leon Coger has shown great form for a while now and despite this tough number eight he should be considered early. 9 Puycheric Wine has galloped in three out of the last five starts and is not reliable. If he avoids a mistake he could defeat all opponents here. 1 Perfect Star is ideally drawn. Will be driven by Eklundh this time and that is interesting.

6 Man U. has scored eleven wins in 28 starts which says a lot. Will get an offensive start and might find the lead here. Good chance regardless the journey. 3 Teton Nikkis Man has not won for a while but is better than that. Has good speed and this number is nice. 2 Neo Turbo has put in a couple of very good efforts lately, but without winning. Early contender. 10 Ninja Zon won in the lead in the last run finishing 13/1000. Has been a non-starter after that and this number is different too. Early choice anyway.
