Summary: EL VEGAS (2) was tested at a useful level last time out and drops in company for this assignment. He makes plenty of appeal and should be in with a winning chance. ANASHKAYA (5) was only a maiden winner last time out but should have more to come and isn't one to dismiss lightly for a very strong combination. PINK PANTHERA (4) did all she could on debut when landing the spoils and is an unknown quantity here. She is one to include in all bets. LE LANDIN (1) has some fair form to his name and is the ideal type who could run into the money.
