**9 Who's Next B.** was second behind a very good horse who was 20 meter ahead last time. Has shown to be just below the best horses of his year. Not an easy task here but should have a good chance of defeating all opponents over the home stretch. **1 Kandyman** has not won in 18 starts, but the feeling is that he is going down a bit in class this time. That combined with a perfect draw makes the horse an early choice. **3 Fargas T.K.** is coming more and more. **5 Mahaskah B.** returns after a layoff.
