## RANK

**3 True Exception** won comfortably from the lead in the last race and has won four times in five attempts in that position. Good chance of winning if he gets there. **2 What A Magic** galloped in the last race but had shown fine form in the previous starts. The filly is one of the hot contenders in this race. **7 Magic Power** led until just before the finish in the last race. Now he will have to attack from behind and that is hardly a disadvantage. **6 Fifa Vendil** has only one win in 31 starts but now makes an exciting debut for Stefan Johansson.

**11 Tekno Boris** has found top form after some changes and has two wins in a row. Can open well and has top chance to pass the whole field. **10 Philo** won very easily in the last race and has impressed a bit. He is developing well and is the main challenger to our pick. **6 Olsims Elise** galloped at the end in her mini comeback in the last race. The filly is fast and if she avoids a mistake she will be in the mix. **7 Källsjölova** is consistent but has only one win in 18 starts.

**1 K.F.C.Sox** faces the best conditions the race and we think the six-year-old will hold the lead here and in that position he has taken four of total six wins. Our pick. **3 Raven** started as recently as last Wednesday and took his second win in a row. Prefers to run in the lead, but may have trouble finding it now. Has to be considered regardless of the journey of the race. **7 Ride Away** showed top form in the last race and in case of quick pace he can finish fast. **8 Arn Silvio** prefers to run in the lead and is disadvantaged by this starting position.
