RANK

12 Campanet galloped in the lead with 500 meter to go in the debut. Showed good speed both before and after that. Good chance despite this number. 3 Global Confession qualified already in September as a two year old. Makes his debut here and this number is nice. Early choice. 4 Can You Believe qualified early last autumn too. Tricky number but without a mistake she should be followed too here. 6 La Merida came back well after a mistake in her debut. Could take revenge here if she avoids an error now.

2 Daven Port won his only race as a two year old and did well. Has been a non starter after that but has recharged the batteries now. Our pick. 6 Cool Kronos scored a good second spot in Svampen - a big two year old race - last season. Interesting seasonal debut now and early contender. 5 Glorious U.M. got locked in with energy left in the seasonal debut. Undefeated in three starts as a two year old and early choice. 7 Indigo Sisu needed the last race after a pause. Place chance with the right trip.

6 Deli galloped at the beginning of the home stretch in the last run, probably on the way to victory. If she trots well she should have a good chance here. 2 Optimum Bankrobber did alright in the last race and came in sixth despite an early mistake. Is well drawn behind the gate now and is the main challenger. 1 Mercenary did not trot well at the end in the last race. Has good speed for this class. 8 Bellatrix Club makes his debut for a new trainer. Ran in the lead on July 22 but got defeated the last 100 meter.

2 Knox Newport convinced a lot in the last run and finished to a nice victory from fourth on the outside after a strong final lap. Faces nice conditions money-wise. Our pick. 5 Adam Orden resumes from a spell. He was brave from outside the leader on October 14 and is certainly fit for fight directly here. 9 Nyras Ida was not empty in the last run after a late opening. Should be improved by that race and could get a nice journey here. 6 Farbella Journey had energy left on February 15. Will be interesting to follow here together with Goop.

2 Mellby Good has won both starts this year and is really good for this class. She is well drawn behind the gate here and has top chance. Banker. 9 Joyful Trix is the main challenger. Has not raced for almost four months but was good in tough three year old races last season. 1 Kia Ora got a short break after both wins in January. Is well drawn and should be in the mix here. 3 Cherry Oh Baby has good capacity but is up and down too. Typical outsider now.

7 Dwayne Zet met tough opponents last year and earned almost 500,000 SEK. Resumes from a spell now but is our pick directly. 1 Istanbul Boko has not raced since November 2019. Scored a very nice win then and is good for this class. Interesting comeback. 2 Barney Granit is better than he showed in the last run on a tricky track. Scored a strong victory on February 7 and could challenge for victory. 6 G.R.J.'s Wolverine won in the lead in the last run and showed good form. Tougher now but should not be overlooked.

5 Deede Star won his comeback in January and convinced but he has not impressed after that. If he avoids a mistake he should have a good chance here. 6 Kaptah is consistent and good. Never got a real chance from behind the leader in the last run and had plenty of energy left at the end. 2 Karat Band ran in the lead when he did not trot well and galloped with 400 meter to go. Is good for this class. 8 Twinkle Face finished 11.5/800 at the end in the last run and scored a close victory. Will go around many opponents here.

Banker. 8 Sedin U.S. collided with another sulky with 50 meter to go in the last race and galloped. Scored a nice third spot before that and is an early choice here. 9 Global Attention beat easier opponents in the last run but finished really well showing 10.5/800. Could get a nice trip here. 1 Persos Otello did not finish in the last race. Can do better and likes this long distance.

4 Urgent Call got a tough trip during the last 1500 meter in the last race and was really brave. Has not won for a while but faces nice conditions here. 7 Empire Garbo resumes from a spell. Is consistent and good and should be considered really with the right journey. 12 Majestic Man has not raced since November. Finished well from far back against tough horses then and should not be overlooked. 8 Jaques Noir is good for this class but the form is a question mark and this number is poor.

3 Kapten Brodde has not been defeated yet when avoiding a mistake and he should have top chance here too. He is not reliable though and not a banker for us. 4 Launch'em has not raced for almost six months. Scored a nice victory on August 26 and could be in the mix directly here. 9 Zack Bris belongs to a stable in good shape and the horse is developing well. Faces a 20 meter handicap but this small field is an advantage. 1 Center Bus failed in the last run but scored a nice victory on February 10. Is driven by Goop now.
