6 Observe'em was huge from the outside of the leader over three laps in the last race. That was before the break though and the form is probably not as good now. However, he is well drawn and the distance is the right one. **2 Dalens Elvis** sprinted to an easy win in the last race and is in top form. He has won four times over this distance. Henrik Svensson will certainly go for the front. **3 Exklusiva Liss** is strong and uses to keep up the pace well. Interesting if barefoot now. **8 Eagle In Disguise** put in a good job in his comeback.

3 Locked In was good as a 3-year-old, but did not win. The top-bred four-year-old daughter to Walner is talented and should be improved after the winter break. **2 Happy Godiva** was strong in her debut in the last race and won in good style from the lead. Should have moved forward by that run. **6 Jack Eichel** has good capacity. Has a couple of runs under his belt and should be in good form. **9 Lejo** won easily in the debut and was not empty in the last race. Early choice without a mistake from the start.

5 Mister Hercules has a nice task here. He is by far the best horse here and certainly finds the lead. Top chance in that position. Banker. **2 Shocking Superman** was improved barefoot in the last race and finished strongly. **4 Huddleston** has got a new trainer before this race. Is a quick starter and could get a nice trip behind the favorite. **7 Mustang Racer** has shown increasing form and with a bit of luck, he is fighting for a place.

7 Shogun RR has shown good strength for this class lately and easily been the best despite tough trips. The opposition is getting tougher now but he is still in a low class for his capacity. **2 Plucky Swamp** is very gifted and making his debut for a new trainer. However, he has been out of competition for over 1.5 years and is unlikely to be in top form. **6 Global Frenchie** is not reliable but owns good resources for this class. Nice number and two wins so far with today's driver. **9 Jayden De Joudes** is in good form and benefits from a small field.

2 Gandalf Brodde was not at his best in the last race after a trip mostly outside the leader. He has three wins from six in the lead and with an experienced driver he leads this all the way. **5 Weightlessness** seems on the way up. Now he is running barefoot which is a definite plus as he has won three of seven starts without shoes. **6 Smiley Brodda** is a quick starter and likes the short distance. **3 Blacktactical** scored a good win two starts back. Never really got a chance in the last race. Is in good shape.

6 Sjö Kosa got defeated by Vårblomster in the last race. Easier opponents this time and has a 20 meter advantage towards the main challenger. She should have the best chance to win this open cold-blood race. **14 Fia Med Knuff** is capable and has good speed. She is not completely reliable, but if she avoids a mistake, she could pass all opponents. **11 Helia** owns good capacity and galloped on the way to a good result in the last race. **5 Backeballerina** galloped in the seasonal debut. Is gifted and faces nice conditions here.
