6 Cashman J.R. is back after a pause and although his form is a bit hard to predict, he still has a nice task here. The five-year-old is a quick starter and will not be easy to beat from the lead. **1 Brilliant Kid** is also fast and could reach the back of the leader and with an opening at the end he will challenge for the win. **7 Express Cash** does well every time and should be considered despite this starting position. **3 Miras Mana** is used to tough opposition but could still be a place bet.

Early challenger. **10 So Far So Good Zaz** comes back after a pause but should still be considered. **3 Secret Ale** likes to run in the lead and if he gets there he could be in the mix.

Takes the lead and is the horse to beat from that position. **2 Urban Profile** has put in several strong efforts towards the end without winning. Will soon score a victory. **11 Henessi Humble** got a run under his belt last time and will be improved to this race.

8 Little Eva looked in good shape in the last race but got locked in, setting a nice time. She gets an offensive trip and is our pick in this wide open race. **5 Speedy Hard Vicane** has only one win so far but is not that bad for this class. One of several horses who can win this race. **11 Västerboflybynight** has not started since November. In terms of capacity, the mare is good here and she could be in the mix if well prepared. **4 Chiara W.B.** got locked in with energy left in her mini comeback in the last race. In the mix here.
