5 Bol Brage won five races last year and earned a lot of money for new trainer Jan-Olov Persson. Is on the way up now after a layoff and looked really nice in the last race but got locked in. Good chance. 11 Stålville has been improved a lot and scored two straight wins. He convinced a lot in the last race together with Ove A Lindqvist. Contender here despite tougher opponents. 7 Norrbo Odin is strong and can do it tough. Was second and improved a lot in the last race. Could get an offensive trip here. 6 Husnäs Elving has met good horses and is tough. Seasonal debut now. Outsider.

5 Vulcano O.P. has run a couple of races this year but not been very successful but at the same time he has been matched against tough horses too. Small field now and easier opponents too. 2 Barry Wadd has had a nice winter and scored a couple of wins this year. He has been a non-starter after the last race (due to a cold) and the form is a question mark. 1 Cesar F.C. has been a disappointment this year but he has good skills and he prefers to run in front. 6 Order by Box looks nice and with some racing luck he can finish fast.

7 Cross Track has been improved since he came to Markus Pihlström and put in three good efforts. Won in the lead on Umåker and has opened fast in every start. Faces quite easy opponents today. 3 Somebody's Destiny was close to win on Umåker in March and galloped in the race after still fighting for victory. He is good enough to be in the mix here. 4 Southridgeclayborn has been at least second in four out of eight starts. New record in the last race after a layoff. 10 Sara K.M.E. can do better than shown so far this year. On the way up.

3 Comte Godiva has done well for Pihlström and after a pause the horse is on the way up again. Was brave in the lead in the last race and will go for the front again here. Our winner. 5 Foppa Sisu has looked nice too lately and he will soon score a victory. Nice task here. 7 Kattis Palema uses to open very fast with a number directly behind the gate. She has been successful especially over the short distance. Has to be followed directly in this seasonal debut. 10 Klammer has put in a nice comeback this year. In case of quick pace he can finish really fast.
