## R3 COMPIEGNE [L-H]

**1. GENTILHOMME** - Third in a Listed Cross Country in his last start of 2022. He will have no problems with this shorter distance and if fit from the break should go close. Supplemented for this race

**2. HAWAX** - Fit and in good form this year but has only the one win to show so far and this is his first try of Cross Country. Has a place chance

**3. GAP PIERJI** - A well beaten third over this track a nd distance last time out but usually gives of his best and can finish in the money once again

**4. COTE FLEURIE** - Very unreliable but does like this course and was a track and trip winner last time out. She has a winning chance

**5. GINO DINO** - A bit of a disappointment when only sixth at this course in a chase over 4100m last time out. Capable of better but first time in a Cross Country

**6. BIMBO HAS** - A runner-up over this course and distance in his first crack at a Cross Country race. Has scope for improvement and is not out of it

**Summary :** COTE FLEURIE (4) is coming off a nice win over the course and distance and is clearly the one to beat. BIMBO HAS (6) meets that rival on better weight terms so should be a threat. GENTILHOMME (1) returns from a break but has been supplemented for this race so could be ready to strike. GAP PIERJI (3) was third last time out over this track and trip and could earn some more money.

**Summary :** JOURNEE D'LA FEMME (4) is fit and coming off a nice win but she will need to keep improving to win this race.
