3 Nolana Boko got a nice journey from behind the leader in the last race. Then went out in the second lane with just one lap to go and won comfortably - a good impression. 1 Veyron Bros was brave in the lead in the last race. Debut behind the gate now. Early contender. 11 Månskenstindra won her debut race from the lead finishing 1.13/800 m. Different number now, but she should still be considered early. 5 Micke Sting finished well when he found room last Wednesday. Should be improved by the last runs under his belt.

5 Cedric di Poggio was under attack when he galloped in the last turn in the last race. It was the first race for the new trainer and we believe he can take quick revenge here if he avoids a mistake. 10 Global De One was heavily backed as a three-year-old last season did not convince. Makes an interesting season debut now. 4 Indigo Brick was tricky last time but showed good speed when he won his debut. Early contender without an error. 3 Forever Yours has only made one error-free race so far, where he finished well to be second.

7 Eros Jet is both strong and fast. Won easily from the lead over the long distance last time - our top pick. 3 Vegas Wania was third in the Swedish Breeder's Crown last year. Scored a convincing win at Solvalla in February and is an early contender. 4 Epsom As was pressed in the lead last time and scored a strong second place. Possible behind our pick. 5 Kilgore is chasing his first win. He has speed, but here he is primarily a place bet with the right journey.

12 Sixten Roc had the lead in the middle of the home stretch last time, but gave up at the end. Has one run under his belt - now he can pass everyone. 7 Sun's Exciting has won seven out of 16 starts so far. Seems to be in a good form and is an early contender with a good trip from the outside. 4 Blauer Max got a tough trip from outside the leader last time and scored a strong second spot. Should be considered early from a good starting position. 8 Ies General was not at his best at Gävle. Scored an impressive second spot before that - possible despite a tough draw.

1 **Eli Jet** had a number in the second line last time, parked early outside the leader and won convincingly over the home stretch. Gets the top pick in a nice race for three-year-old fillies. 4 **Larah Westwood** is the most experienced horse in the race with eight starts. Strong finish for second last time and will win again at any time. 7 **Eleven As** took the lead from the same starting position last time and won easily. She should definitely be considered here as well. 2 **Countess Face** won her debut in an impressive manner after a 10.5-finish. It will be interesting to follow her progress.

3 **Diamant de Larre** showed last time that his toughness from Vincennes makes him an early contender in Swedish monté races. He took the lead in the stretch and won easily - he's a strong pick. 1 **McGarret** rarely if ever performs poorly under the saddle. He's not particularly suited to sprint distances, but can handle them. 2 **Carioca de Lou** was second behind our top pick when they met at Jägersro. Had a strong finish and has a chance to place here as well. 9 **Ubiquarian Face** tried monté a couple of times for his previous trainer, without success. Outsider.

6 Eteria has won both her initial races in her career with energy left. Promising type who must be seen with a good chance again. 3 Elegance Kronos won two of her three starts last year as a two-year-old. Has a good number and should be on the way up in form again. 2 Karma Mearas had to work on the outside for the last 1200 meters last time but was brave. Easy front-running victory the time before, and she should not be forgotten. 5 For Real has been a non-starter since her win. So, her form is a bit unclear, but we believe the speed is still there to be competitive.

12 Danao Degli Dei has won his recent races very convincingly. In his last race, he won very easily in an 1.11-time. Tricky number, but in case of quick pace, he has a good chance. 2 Dirty Martini has done well in both of his starts this year and has a number as he can open well and likes running in the lead. 1 Kendall Jackson is making his debut for trainer Timo Nurmos. He is likely to be tested for the lead, where he has performed well for his previous trainer - an early contender. 5 Max Lane likes the conditions, but it may be difficult for him to get to the lead.

7 Soundtrack made a promising debut for a new trainer in the last race. The well-bred four-year-old left a good impression and we don't think the longer distance will be a problem. Our winner. 10 Roberts Son B.B. took over the lead in the first turn last time and won impressively. A capable horse for this class and a clear contender. 12 Village Party seems to prefer longer distances as he's a bit of a slow starter. In case of fast pace, he can pass many rivals. 9 Jeannica lost a lot of ground due to an early mistake last time, but came back strongly.

7 Hail Mary has a race under his belt, which decided the choice of the top pick. He got a tough trip outside the leader in his first start of the year and was clearly positive. 6 Brother Bill had a strong last year and is likely to have a new interesting season ahead of him. A clear favorite to win in his seasonal debut. 1 Zacon Gio was not at his best at Örebro. Trainer Gocciadoro already talked about this race then - nice number. 3 Aetos Kronos has high peaks, but has been very up and down this year - an outsider.

4 **Balotelli Face** was last seen in a trial for the Kungapokalen. He performed decently but not outstanding, but we like this four-year-old and the draw is good, so he's our pick. 6 **Load Master** is consistent and reliable. He finished well when finding room last time and he should be considered early in this race. 8 **Celiaz** has changed stables since his last race. He had a poor start from a wide draw last time and got a tough trip, but he was brave and should be considered. 2 **Express Love** is looking for the form he had when he won a V75 race last autumn. He's an outsider with the right journey.

First time from a handicap start now, but she seems capable of doing it tough. 10 **Rosemary Tile** got a tough trip during the final lap last time out. Good impression in the season debut the race before. 3 **Vikings Saga** won in a good way from outside the leader last time out. Nice number and could potentially find the lead early on - not out of it. 12 **Superior Princess** won easily at Solvalla on February 15th. Returning after a short break - keep an eye on her.
