**4 My Star Is Born** has put in several good runs from the lead. Last time he was not empty and now he will once again go for the lead. Probably the first barefoot all around and the first ear plugs. **9 MT Sugar Pie** looked nice last year and is now coming back after knee surgery. Good reports and Magnus A Djuse this time. **11 Charlestone** is a little bit better than the latest results show. Exciting with Örjan Kihlström. **1 Envies Goldneck** was really nice last time and is well drawn here. Could cause an upset.

## RANK

**1 Global Badman** won easily from the lead in the seasonal debut. Our pick but will not find it easy to reach the front here. **5 Lawmaker** is gifted and put in a great race last time against Hail Mary and Brambling. Easier now and early contender. **2 Gamin Jaba** was a disappointment last time. Run under his belt now, more time in Reden's training and the first American bike. Has to be considered despite the very short distance. Driven by the trainer. **3 Dark Roadster** is quick from the start and can lead this for a long time.

First barefoot all around and American bike now. **2 Hagrid** galloped in the lead last time and was not defeated then.
