RANK

4 Oktan Håleryd galloped still fighting for victory in the last run and has got a break after that where they probably found the reason for the mistake. Now he is training clearly improved and has a good chance for an early lead. **11 Devs Donator** was superior from the lead last time despite quick pace. Has been ill after that though and worse draw now. **3 That's So Clever** finished fast last time and should get a similar trip here. **6 Let Me In** can do better and will now probably run with ear plugs for the first time.

V64-4

Auto 2140

RANK

1 Maldini Pellini has won from the lead but last time it was too tough. Significantly easier opposition and task here and reach the front. Top chance. **7 King Of Sand** got too fiery before the start in the V75 last time and couldn't do himself justice. Had shown good form before that and is normally consistent. **2 Muro Beach Pellini** has put in two good sprints in a row and should reach a nice position directly. **4 Cove Snapper** won easily from the front last time.

RACE 9

V64-6

Volt 2140

RANK

1 Swish The Cash is incredibly capable for the class and won very safely last time after advancing to the outside of the leader. He had not competed for a couple of months before that race and is seriously on his way to great form. He is ideally drawn and has a good chance to lead this all around. **3 Great Time Trot** has been improved lately and should not be overlooked. He was very brave but got defeated in the V75 second last and won in very fine style last time after a fast opening and a fast finish. If he is faster than our pick from the start, he is very interesting. **10 D.J.Spritz** is in good shape and did very well behind High On Pepper in Örebro Int'l last time. Faces a tough handicap here towards a couple of very capable horses at the start. **5 Steady Victory** is very speedy with the right trip from behind.
