1 Jackson Trot is coming off a strong win and set a really good time. Short distance again and can open fast. Will be hard to beat with a similar effort. **5 Gimmefive Ravin** has one win and nine second places in 24 starts. Is better than the latest results show and is an early challenger to our favorite. **7 Cicero T.G.** is one of the better horses in this race but he has a difficult number over this short distance. Early choice with the right trip. **3 Ecu de Mieloui** started the season really well but has not been very successful of late. Has a good lane and is possible behind the favorite.

Our pick. **4 Helhei Sleipner** won comfortably from the lead in March and has been consistent and good so far. Has a nice lane and should be considered early. **7 B.G.These** is coming off a strong win. Has a difficult lane but can do it tough. Early choice. **10 Odd C.K.** has two wins in eight attempts. 2 Björli Bas is making his debut here but should have top chance straight away. He set a 1.30-time in the qualifier and that is of course very impressive. Normally he will win this. **9 Bjönnum Rappen** was brave as second from the outside of the leader in his debut as heavily backed. Tricky number but main challenger to our banker. **4 Troll Sterk Elvira** showed very good speed in her debut and looks promising. Early choice behind our winner. **5 Haukfaksa** came back well after a gallop in her debut as heavily backed. She is also possible behind the favorite.

8 Ingen has a difficult number behind the gate but is the best horse and comes from a nice win at Gävle. Earned the most money last year and is our pick. **4 Björlimy** has been very consistent and good at the end. Coming off two nice performances and should be on the way up. Björn Steine is driving now. **5 Lilja** won the last race together with Eirik Höitomt. Found an early lead and scored an easy victory. Good lane and early choice. **1 Fröken Fransén** galloped straight away in the last race but won very easily two starts back when the main rival galloped. Consistent and good.

3 Bellton Memphis has won five of seven races this year and been very successful. Coming off a win in the Swedish V85 and will face easier horses here. Good number. Good chance. **8 Leighton Boko** makes a very interesting start. Hasn't raced for a long time but will be exciting to watch in Norway for this new trainer. Difficult lane. Contender but could need this race. **2 Allegra Avanza** has a good lane and has put in several good efforts without winning. **5 Formula Photo** was in full control from the lead in the last race and will certainly try to reach that position again.

1 Hallogubben faces very tough conditions money-wise but should have a good chance anyway. Has started with three wins in four starts and was superb in the last race. **4 Donstad Ophelia** won closely in the last race but has had a layoff since then. Good lane and is possible straight away if well prepared. **9 Mjölner Jördis** galloped twice in the last race but had been very consistent and good before that. A bit tricky lane but I hopes for high pace. **3 Sitje Svarten** won with today's driver in December and galloped on the way to a place in the last race. Good lane and has to be considered behind our favorite.
