3 Beautiful James has put in two good efforts as a gelding this year. He is a very quick starter and has been driven to the front both times. Favorite for the lead again and should have a very good chance from there, but is also possible from other positions. **5 Gaga Lady** was a good runner-up at Vincennes recently. She is not a very fast starter but a really strong finisher. **10 Overhead Panel** is racing barefoot now. Early choice. **2 Emir** shows fine form and has a perfect lane.

1 V.G. Voitto defeated five of today's opponents in the seasonal debut. Tricky lane but he can do it tough and has a good chance of winning if he finds room in time. **4 Stallone** made a nice impression in the last race. Barefoot and Norwegian bridle now. He is a very quick starter and a candidate for the lead. **8 Pro** got locked in with energy left behind the winner last time and has to be considered here. **9 Paavolan Hurmos** looked nice in the seasonal debut.

4 Gaudi Laksmy beat all opposition from the lead at Vincennes in the last race. Has now taken a break but is extremely capable for this class and from an excellent lane he probably finds an early lead. Once there he is the horse to beat. **1 Coolman Evo** has three straight wins for this new trainer. He is very fast, will be driven by Magnus A Djuse and owns good speed. **9 Jonas Halbak** decided the last race in a splendid way and is very strong. **3 Popeye Tooma** is possible if he lives up to his capacity.

6 Celiaz is one of the better mares in the Nordic countries. She was not at her best last time but still finished very strongly. Should be improved now and the chance of winning is very good regardless of position. **9 Ete Jet** is doing very well for the new trainer. She has a strong finish and will challenge with some racing luck. **8 Sofia Evo** was not fit last time but is good for a race like this. **3 Unica S.L.M.** is interesting with the right trip.

7 Chat Room made a nice impression in his Swedish debut. Will probably get a more offensive trip by Örjan Kihlström now and if that is the case he should have a good chance of winning. **1 Mellby Narrow** is better than the results show. Prefers to run in the front and should be considered early from that position. **4 Gimbo Grif** is hard to predict, but the reports from the Gocciadoro stable are great. **8 Ancio** is the best of the Finnish horses.

4 Mellby Knekt got a nice trip in the last race and finished well. Is well prepared for this task and from the front he is the horse to beat. **5 Keep Asking** would have been our pick with a better number. However, now he probably gets a trip on the outside of our winner. Challenger. **7 Diva Ek** is both strong and fast, and can do it tough. **9 Gio Cash** becomes dangerous in case of over-pace.
