6 Margareta Tooma just keeps on winning. She has 15 straight victories and should have top chance again here. Top chance to win. 4 Daven Port has started twice for Per Lennartsson and should be on the way up. Early choice behind the favorite. 5 Breeze was third in the last run after a layoff and was improved. Could be in the mix here. 1 Albert Zonett has not convinced lately and the form is a question mark. Will get a nice inside journey here and could earn some good money.

11 Sterbik is undefeated after three starts. Has won after an early lead but we think he will handle this number in the second line too. Top chance. 6 Pellegrino Pellini has shown that he can open fast and won easily in the lead in the last run. Will go for the front again. Main challenger. 4 Zaxton has started with three second spots in a row. He seems to have the right attitude though. 12 Kapucine d'Inverne has earned most money in this race. Has not won yet but could defeat many opponents here in case of over-pace.

4 Borups Victory has not competed since he was second to Mister Hercules in Seinäjoki Race in April. Very interesting five-year-old who can open fast. 5 Sourire Frö has won two out of three races this year and never found an opening two starts back. Very nice horse with the right attitude. Should be followed. 6 Iznogoud Am has been very unlucky this year. Is very gifted and should be considered early if he lives up to his capacity. 3 Laredo Boko has done well in the V75 lately. Possible if the best horses would fail.

1 Yavapai Point galloped directly in the last V75-final. Never found room on the home stretch and had energy left at the end. Interesting now with Goop. 3 Isas Dream Boy won an elimination heat and final the same evening on Rättvik. Likes to run in front and is in great shape. 6 Håna Am likes the long distance. Was not as nice in the last run as when he won on Solvalla on May 26th. Early contender here. 2 Starstrucked likes this distance and could defeat many opponents here if she avoids a mistake.

12 Lundåsens Teknik comes from a splendid second spot in the V75 from outside the leader. Has got a pause after that. Our winner directly. 11 Stormyrans Erkki was not at his best in the last run and maybe should have won. Has good capacity but is a bit up and down. 9 Envis galloped after 400 meter in the last run and got locked in at the end. Early choice here. 3 Tallmons Wiking comes from victory after a very nice run by Örjan Kihlström. Faces nice conditions money-wise here. Has to be followed.

4 Champagne Trot put in a good effort already in the comeback two starts back. Was even improved in the race after on Mantorp and won from outside the leader without being empty. 10 Joint Chief is interesting in this comeback. Started with two straight wins as a three-year-old. Qualified in a 1.15-time a couple of weeks ago. 5 Everythingwithyou will soon score his first victory. Finished fast to a second spot two starts back. 6 Showmethecash can finish fast with the right trip from behind and is one out of many outsiders here.
