9 Miss Liberty has developed well and is stepping down a bit in class now. Even though she is at her best in front, she should have a good chance of fighting for victory here. **12 Vikens Tracker** has done really well in two starts for her new trainer. Most recently at Eskilstuna she held strongly from the lead in a V75 final. Is poorly drawn, but the non-starters are a big advantage. **4 FriendofthePhantom** finished strongly at Åmål in the last race and has a better number than the main rivals. **10 Henessi Jubilee** needs a defensive trip but should not be overlooked with the right journey.

8 Iginla Zet has shown nice speed for this class and is now interesting in this debut for Lähdekorpi. The task is not easy, but despite the starting position the four-year-old is our pick in this open race. **10 Zucchini C.D.** convinced last time when she won in powerful style from the outside of the leader. Tight starts is clearly interesting for Bergh's mare who has found great form. **5 Chardonnay** got a defensive journey in a tough race last time. Much better conditions here. **2 DencoLicensetokill** scored a good win via the open stretch last time. Fine form and barefoot now.

He was not fit last time and we forget that race. **1 Hitting Hard** is developing nicely and took the lead in the last race and won easily. **8 Bravo Chico** has good speed and high capacity but needs some racing luck from here.

7 Don Quijote Face showed good form in the last race and finished brilliantly as second.
