7 Four Dragons scored the latest win over this 1200 dt together with Carlos Lopez. Our pick in this open Bronze handicap. 2 Chizonwheels won the debut over these conditions but has not shown a lot after that. However, in the last race the horse was closely defeated by Moneytalks. Early choice over these circumstances. 3 Mr Naughty Boy is in great shape and should be considered early again despite tougher weight here. 5 Moneytalks comes from victory over these circumstances. Certainly handles more kilos and is an early choice.

7 Apple Of My Eye met too good opponents in the Swedish Oaks. Showed quite good form for this class before that and is our pick in this open Iron race. 2 Kissnfly faces better weight now and is an early contender over these nice conditions. 6 Mouli Princessrose scored a strong win over this 2400 dt two starts back and is ridden again by Oliver Wilson. 4 Zwish Zaid looked nice in the qualifier where he was second after an inside journey behind promising Alabama Man. Possible directly in this debut.

6 Single Malt ended last season with three convincing wins over these circumstances. Faces tougher weight in this seasonal debut but is working well. The gelding is our pick. 9 King Richard has not convinced so far this year with the exception of the seasonal debut. Can do better and is normally a possible challenger. 5 Powerhouse is in quite good shape and this 1730 dt should be perfect. 4 Neville Chamberlain has convinced so far this year. Tougher task now but this apprentice claims a couple of kilo off.

3 Cibelle faces nice conditions in this Iron handicap and she should have top chance together with gifted apprentice Malva Blademo. 8 Sixten Blixten did alright over these conditions even if he was a bit slow. Strong jockey here and in the mix. 9 Positano would have preferred a longer distance but is possible anyway if the race would be over-paced. 6 Celebrate Me is in great shape and these circumstances are perfect.
