Auto 2140

1 Global Classified got a tough journey on the outside in the last run. Had got a short break before that and should be improved by that race. Our pick. 6 Soul Tan is the main challenger. Showed the right attitude in the last run and is consistent and good. Is driven by the trainer this time. 2 Xerava C.D. comes from a start in Stochampionatet. Faces older stallions and geldings this time but has good skills. 7 Barry Wadd has place chance but needs some racing luck with this number.

14 Björli Frida is our pick in this open cold-blood race. She comes from victory and put in a strong final 1300-1400 meter there. 6 Bork Tindra is not reliable but when she avoids a mistake she has good speed for this class. Will fight for victory in that case. 10 Pysola had energy left on the inside in the last run. Tricky number again here but will pass many opponents with the right journey. 15 Hulte Alva deserves a victory. Got defeated after a photo finish two starts back and is driven by Magnus A Djuse now.

6 Ductus has not competed since February and the form is a question mark. Is good for this class and our pick anyway. 4 Jacara du Pont won over the long distance in the last run and has shown good form the last couple of months. He should be considered again. 3 Huit parked outside of the leader with one lap to go in the last race and won after a photo finish. Nice number and early contender. 12 Arvid Tilly beat easier opponents in the last run. Despite this poor number we think he will pass many opponents now.

10 Sparky's Dream convinced a lot in his comeback on June 13th but has not been successful after that. He is probably the best horse in this company. Our winner. 5 Global Daretodream galloped twice in the last start in April. Has got a new trainer after that and should be followed directly here. 12 Kent's Goodwill won in the lead on Dannero in the last run. Has to attack from behind now but is possible in case of quick pace. 11 Supermackan has just made a few starts this year. Outsider this time.
