2 Kazio gets our pick in this fairly open race despite only six horses. He earned by far the most money last year and has also done well this season without winning. Good lane. **1 Thewinnertakeitall** has earned the most money and been consistent and good at the end. Should get a nice trip from here. Early choice. **3 Fönix Vang** was about as good as The Winnertakeitall in the last race and can be in the fight for victory here too. **6 America Dream** is better than the latest results show and will probably get an offensive start from here. In the mix.

Early choice. **2 Defender Grif** won three out of ten races last year and has done quite well this season without winning. 4 Limerick Downs is a 3-year-old colt who has started very well for trainer Steen Juul. He has two wins and two second places in six attempts and should have a good chance in this company. **3 Olara Boko** comes from Sweden and is challenging. Victor Rosleff drives now. **2 Kalypso Caesar** has quite good capacity too but she is coming back after a break and may need the race. Nice lane. **9 Kilkenny** won three out of eleven races last year. Will probably get a defensive trip from here.
