2 Kashmir Brick has not lived up to the high expectations so far. Has not been completely reliable, but owns good speed. From a perfect lane and now with an American bike he should have top chance. **3 Julia Pricefighter** did alright in a good time in the debut, but galloped both in the qualifier and in the last race. Early choice without a mistake. **8 Jayhawk** will run barefoot behind for the first time now, which could help the horse to success. **6 Lilly Wynn** is a well-bred horse who qualified well.

1 Snabbchat has by far the best results in this the field. Has not been at his best lately and his form is hard to predict. This first start under the saddle is also a question mark. Normally the horse should win a race like this though. **6 Gold From Heaven** has been consistent and good. Is ridden by Sofia Adolfsson in the first ridden start. Challenger. **4 Mago Volante** is undefeated without a mistake under the saddle with three wins in five starts. Has to be considered. **3 Thunderball S.F.** is possible but needs some racing luck.

1 Vanderbilt is an interesting new horse for Timo Nurmos. Comes from Josef Franzl in Germany and has done well at the beginning of his career. Tricky inner lane, but in terms of capacity the horse is good enough. **2 Bruce Braylon** looks to be an extraordinary horse. Won from the front in the last race and looked really nice. Has to be considered. **12 Perfect Chest** is probably as good as our top duo, but has got a poor lane. Needs some racing luck. **9 Oxford Boko** is possible in case of over-pace.

4 Le Patron Boko continues to impress and has ten wins in a row. Perfect conditions again and the horse will be extremely hard to beat. Towards the front again and from there he will win this. **3 Slivovitz Lover** is very consistent. Doesn't win very often but on the other hand he uses to face tough opposition. Possible if the favorite makes a mistake. **6 Nigel di Quattro** has high capacity but is a bit up and down. Contender with the right trip. **7 Kite Runner** scored a very nice victory in the V75 two starts back.
