RACE 1

CARLSBERG DANISH PILSNER 1847 HANDICAP (6) 4yo+
(Rated 0-55) £7,200 1m13y (1620 Metres)

Going: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

Draw: **N/A** Pace Information: **Weak**

1	14	BORDERLINE MADNESS (28) (CD)	s	93
	527-81065	4	9-9	61.2kg
William Stone <i>Jack Mitchell</i>				
Stepped up on her reappearance run when winning over C&D in April. Not at that level in 3 subsequent starts, though she did have to wait for a gap at Lingfield latest (fitted with cheekpieces) and she now finds herself back on that successful mark.				
2	1	POTTERS PRINCE (16)		92
	045-53452	4	9-9	61.2kg
Matt Crawley <i>Callum Shepherd</i>				
Low-mileage 4-y-o who ran right up to his best when second of 13 over C&D 2 weeks ago. Travelled with plenty of purpose on that occasion and with this a slight drop in class, he has to be of interest.				
3	9	EL FOX (135)		92
	053544-43	4	9-9	61.2kg
Marco Botti <i>Luke Morris</i>				
Yet to win race but more consistent than most at this sort of level. Again a shade too free at Yarmouth in May and off since.				
4	12	LITTLE TED (9) (D)	h	89
	22642215	9	9-9	61.2kg
Tim Easterby <i>S. B. Kirrane</i>				
Has benefited from the fitting of a hood, runner-up twice before getting back to winning ways in apprentice event at Hamilton last month. Disappointing return to all-weather at Newcastle needs casting aside, however.				
5	11	GREEN ICON (FR) (28) (D)	s	95
	00080731	4	9-8	60.8kg
John & Rhys Flint <i>Millie Wonnacott (5lb/2kg)</i>				
Unreliable type in Ireland for Denis Hogan. Refitted with cheekpieces when a good third of 7 for new yard at Ffos Las in August and he built on that when winning at Bath 4 weeks ago. Retains plenty of scope on old form back on all-weather if he has turned a corner.				
6	3	CY TWOMBLY (IRE) (11)	v	95
	89409883	4	9-7	60.3kg
John Mackie <i>Callum Hutchinson</i>				
Yet to register a victory but has tumbled in the weights and went with more purpose when third of 8 over 8.5f at Wolverhampton 11 days ago. Definite claims if building on that.				
7	13	DUMFRIES (11) (CD)	★	100
	56-554432	6	9-6	59.9kg
Ruth Carr <i>James Sullivan</i>				
Below last winning mark and shaping as though ready to cash in of late, finishing with a flourish held up in a steadily-run race when second at Wolverhampton 11 days ago. Has lots in his favour.				
8	4	OCEAN FORCE (IRE) (16)	v+t	97
	755667	5	9-6	59.9kg
Gary & Josh Moore <i>Tom Queally</i>				
Lightly-raced 5-y-o who was strong in the market but not seen to best effect when sixth on handicap debut at Lingfield (1m, all-weather) in August, keeping on late having been short of room. Again didn't have things go his way over C&D 16 days ago and he remains of interest in change of equipment.				
9	7	BEAMING LIGHT (44) (D)		95
	86560473	6	9-5	59.4kg
David Loughnane <i>Jack Doughty</i>				
Rattled up a hat-trick last summer but unable to add to tally since despite being kept busy. Shaped better than result over 7f here in August and return to 1m should help, if anything.				
10	8	MERCURIUS POWER (IRE) (16) (CD)	s+t	90
	66785254	8	9-5	59.4kg
Jessica Macey <i>Darragh Keenan</i>				
It's now over 2 years since he scored over C&D but he arrives in decent nick, doing all he could from a wide draw when fourth over C&D 16 days ago (also denied a clear run).				

11	5	AL SUIL EILE (FR) (16) (CD)	s	96
	67370-645	10	9-4	59.0kg
Derek Shaw <i>Taryn Langley (5lb/2kg)</i>				
Veteran is a 4-time C&D winner for Shaun Harris. Down to a handy mark for this yard and caught the eye with his finishing effort in re-fitted cheekpieces when fifth over C&D 16 days ago. Danger to all if building on that.				
12	6	LIGHTNING GALAXY (IRE) (18)	s+t	88
	99594864	4	9-3	58.5kg
Michael Dods <i>Mark Winn</i>				
Remains winless but down to a very modest mark and latest fourth at Beverley confirms he's competitive. Down in trip for second all-weather start.				
13	2	BLUE COLLAR LAD (30) (D)	s	95
	6336-2704	7	9-2	58.1kg
Daniel Steele <i>Alec Voikhansky</i>				
Back from 5 months off with a good second over 7f at Lingfield in March. Raced just 3 times since but needed to see more at Lingfield latest to seriously consider him. Cheekpieces back on.				
14	10	VOLENTI (IRE) (15) (D)	s	96
	44343355	7	9-1	57.6kg
Sam England <i>Jonny Peate</i>				
Four-time C&D winner for Ben Haslam but hasn't won in 24 starts. That said, he's made a fair start to life with his new stable.				

14 DECLARED RUNNERS

BETTING FORECAST:

5-1 Dumfries, 11-2 Green Icon, 9-1 Potters Prince, 11-1 Beaming Light, 11-1 Cy Twombly, 12-1 Volenti, 14-1 Ocean Force, 16-1 Mercurius Power, 18-1 Al Suil Eile, 18-1 El Fox, 20-1 Borderline Madness, 20-1 Little Ted, 22-1 Lightning Galaxy, 40-1 bar

TIMEFORM VIEW:

DUMFRIES has been shaping up well for a while now and this could be the day where he puts it all together. Green Icon has never really been one for maximum faith but he got the job done last time and remains well treated, while veteran Al Suil Eile also merits a second look.

1

7

CHILLY BREEZE (11) (D)
8-9762201 4 9-8 | 60.8kg
Ian Williams
Right back to his very best when landing 12-runner handicap at Bath (1m) 11 days ago. 4 lb rise won't prevent a bold follow-up bid.

95

Ryan Kavanagh (3lb/1kg)

2

9

BOWOOD (25) (D)
56573070 6 9-8 | 60.8kg
Ivan Furtado
Free-going sort who completed a double over 1m at Newcastle last autumn. Posted some respectable efforts on all-weather/turf this year but habitual slow start means he's a hostage to fortune.

91

Elle-May Croot (5lb/2kg)

3

6

NARMAR (IRE) (66) (D)
1342-0006 6 9-7 | 60.3kg
Jennie Candlish
In good form back on turf last summer, gaining a first success for current yard at Ffos Las in June 2025. However, he's gone the wrong way in 4 starts this season.

91

Darragh Keenan

4

10

CITY OF GOD (IRE) (37) (CD)
8-8158588 4 9-7 | 60.3kg
Michael Attwater
Twice a winner on all-weather for Karl Burke but yet to fire in 5 starts for current yard. Handicapper continues to relent but hard to warm to.

94

Jack Callan

5

11

I AM ME (IRE) (30) (D)
25-331994 4 9-7 | 60.3kg
Mike Murphy
Capitalised on the drop in grade when scoring at Kempton in February but lightly raced and nowhere near that form since. NON RUNNER.

Non Runner

6

14

CALM THE JETS (72) (D)
1-98080 4 9-6 | 59.9kg
C. W. J. Farrell, Ireland
Debut winner on all-weather at the beginning of 2025 but has failed to make a significant impact in turf handicaps since returning from an absence. Irish raider needs a check in the market returned to this surface.

92

R. P. Cleary

7

8

NO KNEE NEVER (IRE) (12) (C, D)
50306661 5 9-6 | 59.9kg
James Owen
Down in the weights and enhanced his all-weather record in 9.5f handicap at Wolverhampton 12 days ago. Back up 4 lb but he can remain competitive.

94

Luke Morris

8

12

RUSHEEN BOY (23) (CD)
18315514 5 9-6 | 59.9kg
Julia & Shelley Birkett
Doubled his tally for the season in a match at Yarmouth in June and, after a couple of lesser efforts, got back on the up when also landing 14-runner C&D handicap in August. Looked anchored by 4 lb higher mark latest, for all it wasn't a bad effort and draw could have been kinder.

91

S. B. Kirrane

9

2

PRINCE RASAM (37) (BF)
56/6266-23 5 9-6 | 59.9kg
Gary & Josh Moore
Lightly raced and ran one of his better races when second of 14 at Kempton in May after 7 months off. Failed to meet expectations at Salisbury a month ago but profile on the all-weather does look a more compelling one, so he's worth another chance.

94

Tom Queally

10

13

ORO PALACIO (FR) (31)
9-55 3 9-6 | 59.9kg
Brian Meehan
Most promising effort in his 3 qualifying runs when fifth at Kempton last month. Opening marks asks for more but he is a potential improver for his in-form yard.

81

Charles Bishop

11

5

AUBURN AVENUE (IRE) (40)
472-87150 5 9-6 | 59.9kg
John & Rhys Flint
Belatedly off the mark over 7f at Chepstow in July but back into her shell since over 1m. Tongue tie back on.

92

Millie Wonnacott (5lb/2kg)

12

1

SANDY CRAIC (IRE) (23)
55122353 3 9-5 | 59.4kg
David O'Meara
Showed a willing attitude when landing 10-runner handicap at Carlisle (7f) in June. Solid efforts on the whole since, sticking to her task when third over C&D 3 weeks ago.

93

Mark Winn

13

4

IZZARI (GER) (8) (CD, BF)
00692814 5 9-5 | 59.4kg
Iain Jardine
From his falling mark, he shaped encouragingly both starts in August before getting back to winning ways in 14-runner apprentice event over C&D, travelling easily into contention. Escaped a penalty for that but not in the same form at Newcastle, the steady gallop against him. Remains of interest.

100

Cara Tuke (7lb/3kg)

14

3

R P MCMURPHY (14)
31803412 4 9-4 | 59.0kg
Michael Appleby
At the top of his game at present, gaining third all-weather win last month and more than matching that from 5 lb higher when ¾-length second of 14 to Izzari in handicap here 2 weeks ago. Likely to give it another good go.

97

Edward Greatrex

14 DECLARED RUNNERS

BETTING FORECAST:

11-2 Izzari, 13-2 No Knee Never, 15-2 R P Mcmurphy, 15-2 Prince Rasam, 8-1 Chilly Breeze, 11-1 Sandy Craic, 12-1 Calm The Jets, 14-1 Rusheen Boy, 16-1 Auburn Avenue, 18-1 Oro Palacio, 33-1 Bowood, 40-1 bar

TIMEFORM VIEW:

Plenty to consider but PRINCE RASAM's all-weather record is a pretty good one and the strong feeling is that he can win a race from his current mark. With stall 2 another plus he gets the vote in favour of Izzari and R P McMurphy, who finished 1-2 over C&D recently. Irish raider Calm The Jets needs a check in the market.

James Keane Foaled March 25. €32,000 2-y-o, Bayside Boy filly. Half-sister to several winners, including winner up to 7f Jabaara and 9.4f-1¼m winner Tajanis, both useful. Dam 7f winner. Low-key debut at Windsor a month ago (6f).			
2	9	DIAMONDSFORYOU (IRE) (26)	98
	23	2 9-2 58.1kg	<i>Jack Garritty</i>
Richard & Peter Fahey Offered something to work on behind an above-average rival when 3¼ lengths second of 5 to Varzi in novice at Pontefract on debut in August. That race worked out quite well but he merely matched that form when third upped to 7f at Thirsk 4 weeks ago. Still looks to be learning and now on all-weather.			
3	3	HOTTERTHANJULY (IRE) (14)	91
	5	2 9-2 58.1kg	<i>Alec Voikhansky</i>
Richard Hannon Foaled February 23. €55,000 foal, 145,000 gns yearling, Palace Pier filly. Half-sister to 3 winners, including useful 2-y-o 5f winner Magical Journey and useful 7f-9.5f winner Sceptic. Showed up for a portion of her debut at Haydock 2 weeks ago (1m). Should last longer this time.			
4	7	LETS GIVE IT A GO	79
		2 9-2 58.1kg	<i>Millie Wonnacott (5lb/2kg)</i>
Susan Gardner First foal, dam 2-y-o 5f winner. Stable not known for 2-y-o winners.			
5	4	LIZZIE BENNET (32)	94
	25	2 9-2 58.1kg	<i>Oisin McSweeney</i>
Kevin Ryan Dark Angel filly. Half-sister to smart 7f winner Poet Master (won on debut). Dam 2-y-o 6f winner. Showed plenty to work on when runner-up at Carlisle in August, splitting a pair of next-time-out winners. Recoiled from that effort upped to 7f at Leicester a month later.			
6	5	MARRWAA	94
		2 9-2 58.1kg	<i>Callum Rodriguez</i>
Owen Burrows Foaled February 10. Baeeed filly. Dam, 1m winner who stayed 1¼m, half-sister to smart winner up to 7f Boosala. Newcomers from yard often fancied so one to monitor closely in the market for powerful connections.			
7	8	RUBY SANDS (14)	 100
	33	2 9-2 58.1kg	<i>Charles Bishop</i>
Ollie Sangster Well-related Sands of Mali filly who made a promising start with third of 7 in novice at Newbury (6.5f, good to firm) in July. Failed to meet market expectations when occupying same spot at Newmarket but should be bang there in a novice such as this switched to all-weather.			
8	6	RUNIC (IRE)	91
		2 9-2 58.1kg	<i>Luke Morris</i>
Sir Mark Prescott Bt Foaled March 29. €130,000 yearling, Showcasing filly. Half-sister to 2-y-o 7f winner Zous And Me. Dam, winner up to 1¼m (2-y-o 7.4f winner), half-sister to smart 2-y-o 7f winner Sent From Heaven. Bred to be a bit sharper than many for her excellent yard.			
9	2	WISE TIMES	90
		2 9-2 58.1kg	<i>Marco Ghiani</i>
Marco Botti Foaled March 19. Zarak filly. Half-sister to 12.4f winner Northern Ruler. Yard more than capable of readying a newcomer.

11-4 Ruby Sands, 7-2 Diamondsforyou, 6-1 Lizzie Bennet, 6-1 Marrwaa, 10-1 Runic, 12-1 Hotterthanjuly, 16-1 Wise Times, 40-1 bar

TIMEFORM VIEW:

MARRWAA is bred to be useful and while her successful stable has had just the one winning 2-y-o newcomer this season, she is selected to double that tally in the hope the market vibes are positive. Diamondsforyou, Ruby Sands and Lizzie Bennet have all displayed ability and can make their presence felt.

1	4	ARABIAN SUMMER (IRE) (729)		100
	6/	4 9-4 59.0kg		
		Saeed bin Suroor	Christian Howarth (3lb/1kg)	
		Promise when sixth of 10 in a novice at Kempton over 6f in 2024 but not seen since. Bred for longer trips so this step up to 7f should suit and she's entitled to progress so merits plenty of respect despite obvious bits to prove.		
2	3	ARDANGEL		93
		3 9-2 58.1kg		
		Ed Walker	George Downing	
		Ardad filly; first foal of a 7f maiden whose sister was useful 2-y-o 5f winner Frozen Angel. Makes some appeal on pedigree and market may prove best guide.		
3	1	CERCIS (47)		90
	5-423	3 9-2 58.1kg		
		Mrs Ilka Gansera-Leveque	Benoit de la Sayette	
		Modest form when placed last 2 starts and now makes all-weather debut with progress required.		
4	6	GRANITEVILLE (IRE) (43)		97
	0-4644	3 9-2 58.1kg		
		Marco Botti	Marco Ghiani	
		Fair form at best but looked short of pace at this trip on all-weather debut in August. Ran better when fourth of 5 in a maiden over 1m at Ffos Las 43 days ago but now drops back again in trip, though has an experience edge here that should see her prove competitive.		
5	7	LIGHT SNOWFALL		95

		Julie Camacho	Ryan Sexton	
		Pinatubo filly who is best watched in the betting first time up.		
7	2	SERGEEVA (17)		87
	7	3 9-2 58.1kg		
		Rebecca Menzies	Kaiya Fraser	
		Half-sister to several winners but showed only greenness when seventh of 8 at Redcar on debut 17 days ago. Now switches to all-weather.

BETTING FORECAST:

5-2 Arabian Summer, 7-2 Graniteville, 9-2 Light Snowfall, 6-1 Ardangel, 10-1 Cercis, 14-1 Momotombo, 28-1 Sergeeva

TIMEFORM VIEW:

ARABIAN SUMMER hasn't been seen for a couple of years but this doesn't look the deepest of races and she could reward connections for their patience upped to a trip that will suit. Stablemate Light Snowfall is interesting on debut so the market will likely prove really informative here, while Graniteville has an experience edge that should see her figure.

		5-825603 3 9-8 60.8kg Adrian Keatley Good effort at this track when second over 7f in March for Gay Kellaway. Made good start for new yard when third of 12 at Redcar over same trip 17 days ago and enters calculations if proving as effective on first go at 6f.		Oisin McSweeney	
7	5	JET WARRIOR (14) (D)			91
		31134000 4 9-7 60.3kg Lawrence Mullaney Twice a winner over 6f on turf in May but really struggled in headgear (now discarded) since leaving Ben Haslam and looks hard to fancy back on all-weather.		C. Horgan (5lb/2kg)	
8	3	BIBENDUM (31) (D)	v		97
		45016558 5 9-3 58.5kg Julie Camacho Won over 5f at Leicester in June but has struggled since. Back up to 6f today with visor back on and has slipped back to last winning mark which offers some hope.		Ryan Sexton

		52880690 4 8-7(8-6) 54.0kg (53.5kg) Scott Dixon Has gone 28 runs without winning and beaten only one rival in last 5 outings so is impossible to fancy.		Tyler Heard

BETTING FORECAST:

5-2 Go Lockers Go, 4-1 Wise Crack, 6-1 Irish Incentive, 7-1 Bibendum, 9-1 Pickersgill, 12-1 Jet Warrior, 20-1 Pilgrim's Progress, 22-1 Profit Street, 66-1 bar

TIMEFORM VIEW:

PICKERSGILL often doesn't settle but she seems to save her best for this track and is now back down to last winning mark so she's worth chancing with a positive ride likely in a race that looks short on natural early speed. Go Lockers Go is the obvious alternative but has a 5 lb higher mark to contend with, while Wise Crack is another that should go well.

RACE 6

PEPSI MAX HANDICAP (6) (D.II) 3yo+ (Rated 0-65)
£7,200 6f16y (1220 Metres)

Going: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

Draw: **N/A** Pace Information: **Even**

1	6	WILLOLARUPI (IRE) (23) (CD, BF)		100
	66553-452	5 9-12 62.6kg	Zak Wheatley	
Declan Carroll Good effort when second of 13 over C&D 23 days ago and he's only lightly raced on all-weather despite appearing well suited to it so he looks sure to go well from a mark 1 lb below his last winning one.				
2	3	RILEY ROCKS (26) (CD)		95
	16040460	3 9-11 62.1kg	Marco Ghiani	
Dylan Cunha Won over C&D in March but not in same form since. Didn't get a clear run at Windsor last time but now returns to all-weather and drops into 0-65 company for the first time so he's worth a look.				
3	4	EIGHTTHREEONE (5) (CD)	s	98
	32654431	3 9-10 61.7kg	Charles Bishop	
Eve Johnson Houghton Won at Yarmouth in an apprentice handicap 5 days ago with first-time cheekpieces and drop in grade helping him double his tally. Returns to this C&D where he has won before and escapes a penalty for recent success so looks sure to go well.				
4	9	TOPTIME (7) (CD)		95
	04-313271	8 9-9 61.2kg	Darragh Keenan	
Roy Bowring Boasts a good course record and comes here 2 lb higher than when winning narrowly over 5f here last week. Now returns to 6f so may just prove vulnerable late on in follow-up attempt.				
5	7	JESSE LUC (23) (CD)	v+t	99
	53536763	6 9-8 60.8kg	Luke Morris	
Mike Murphy Three-time winner over C&D who looked back in form when third of 13 here 23 days ago, bouncing back from a falling mark. First-time visor replaces cheekpieces and he can go well if getting the breaks (usually starts slowly).				
6	5	COOL DOC BOY (IRE) (23)		86
	27-697	3 9-8 60.8kg	Taryn Langley (5lb/2kg)	
Joey Ramsden Second on debut at Kempton last November but regressive since, including over C&D on first outing since leaving Jamie Osborne last time.				
7	1	TOP LAD (54)		92
	36439-073	3 9-5 59.4kg	Shay Farmer (5lb/2kg)	
Michael & David Easterby Has achieved little recently, including when third of 6 in a thin race over 5f at Catterick when last seen in August. Now back up to 6f but tough to fancy.				
8	2	HARES BREDTH (23) (D)	t	94
	37176368	3 9-0 57.2kg	S. B. Kirrane	
Tim Easterby More miss than hit this year, recently running well when third of 8 at Carlisle in August but following that with 2 lesser efforts. Hard to be confident about on all-weather debut.				
9	8	COAST (27) (D)	b	88
	36053640	7 8-7 (8-6) 54.0kg (53.5kg)	Tyler Heard	
Scott Dixon On lengthy losing run and largely poor efforts all year, regardless of surface.

BETTING FORECAST:

5-2 Jesse Luc, 10-3 Willolarupi, 7-2 Eightthreeone, 6-1 Toptime, 16-1 Riley Rocks, 28-1 Hares Bredth, 40-1 bar

TIMEFORM VIEW:

WILLOLARUPI is a C&D winner from not many attempts on all-weather and also ran well when second here recently so he could have more to offer on this surface and is preferred over the well-treated Jesse Luc, who needs luck given his style, while Eightthreeone holds strong claims having escaped a penalty for recent success, too.

1	3	GOYARD (IRE) (18) (D)	t	97
	5-3845762	4	9-12 62.6kg	Mark Winn
Made an encouraging return when third at Pontefract in June, but struggled for form subsequently until runner-up over this C&D 18 days ago. Was suited by a well-run race last time, though could get a similar scenario here. Interesting from his current mark.				
2	1	LIL BROTHER (25) (D)	s+t	83
	61495-744	3	9-11 62.1kg	Darragh Keenan
Successful twice as a juvenile, including a Windsor nursery during the summer. However, ended the year out of form and hasn't fared much better this season, well-beaten fourth of 6 at Yarmouth 25 days ago. Cheekpieces now added.				
3	8	THORNABY PEARL (19) (D)		97
	42113126	8	9-10 61.7kg	Non Runner
Has enjoyed a productive campaign, winning 4 times with his latest success at Windsor in August. Rare below-par effort when well held at Hamilton 19 days ago, but no surprise to see him bounce back given the form he was in previously. NON RUNNER.				
4	2	ROGUE BULLET (IRE) (18) (D)	v	 100
	6-5143286	4	9-9 61.2kg	Oliver Hoodless (7lb/3kg)
Made a winning stable debut in good style at Brighton in June. Hasn't managed to kick on since, sixth of 7 over this C&D 18 days ago, though he's now dropped back down below his last winning mark. One to note switched to a visor.				
5	7	TANJEN (IRE) (19) (CD)	t	99
	77513421	4	9-9 61.2kg	S. B. Kirrane
Opened account for the season at Hamilton in August and has continued in good heart since, fitted with tongue strap when scoring in convincing fashion back at Hamilton 19 days ago. Major player in her current form.				
6	6	J STREET (32) (CD)		98
	35141446	4	9-8 60.8kg	Callum Hutchinson
Gained a first success for this yard over C&D in June and also won at Doncaster the following month. Made the frame next 2 outings, but found run of good form coming to a halt when sixth of 9 at Catterick last time. Could fare better back at this venue.				
7	5	STAR NOIR (54) (D)		95
	24234-741	3	9-8 60.8kg	Shay Farmer (5lb/2kg)
Has gone the right way with each of his 3 starts this season, making all for a wide-margin success in novice at Catterick in August. The odds-on favourite didn't give her running last time, though, so task is now to build on latest effort back in a handicap.				
8	4	BRAZILIAN BELLE (IRE) (18) (CD)	t	98
	47-311605	4	9-7 60.3kg	Jack Callan
Returned up at winning ways over this C&D in February and followed up at Wolverhampton in March. Wasn't in the same form later in the spring, though possibly needed the run after 4 months off when fifth of 7 here 18 days ago. Tongue strap on first time.				
9	9	OPAL STORM (7) (CD)	s+t	94
	18946157	6	8-10 55.3kg	Faye McManoman
C&D winner in April who has scored twice since, landing 20-runner contest at Ayr last month. Has shaped as if still in good form both subsequent outings, denied a clear run when seventh of 10 here a week ago.				

9 DECLARED RUNNERS

BETTING FORECAST:

TIMEFORM VIEW:

TANJEN has been going through a good spell of late, finding further improvement when winning comfortably at Hamilton last time, and she is taken to add to her tally. Next best could be Goyard, who got back on track when runner-up here on his latest outing, with Rogue Bullet completing the shortlist.

1	3	SO ALEX (IRE) (53)	98
	2119-225U	4 10-1 64.0kg	
Dr Richard Newland		<i>Jack Doughty</i>	
Dual 1½m winner at Wolverhampton in late-2025 and started this season with a pair of good runner-up efforts on turf, including over this trip at Carlisle in June. Excuses next time and clipped heels when unseating early when last seen. Could still have more to offer as a stayer.			
2	5	DUST COVER (59) (C)	99
	2-1102545	4 10-1 64.0kg	
Ross Burdon		<i>Jack Mitchell</i>	
All 3 wins on all-weather, including twice over 11f at this course. Has shaped as if back in form at Kempton on his last 2 starts, unsuited by a steady pace when fifth of 12 over 1½m on latest outing. Could be in the mix back up in trip.			
3	2	L'EAGLE AID (IRE) (9) (BF)	99
	63533633	5 9-11 62.1kg	v
Charlie Johnston		<i>Callum Shepherd</i>	
Without a win so far this year but arrives in good heart, running creditably back on all-weather when third of 11 at Newcastle (12.5f) 9 days ago. Remains 5 lb below his last winning mark, so he merits consideration now switched to a visor.			
4	4	HALIMEDE (IRE) (57) (BF)	93
	988112	3 9-9 61.2kg	
Sir Mark Prescott Bt		<i>Non Runner</i>	
Much improved upped to 1½m for handicap debut when winning readily at Catterick in August and followed up at Lingfield 4 days later. Failed to land the odds when second of 3 at Thirsk last time, though would have benefited from setting a stronger gallop. Remains capable of better up in trip.			
5	7	KNIGHTSAIL (IRE) (23)	98
	73-747	3 9-7 60.3kg	
David Menuisier		<i>Jack Callan</i>	
Promise on second of 2 starts last year but hasn't progressed in 3 starts this season, upped to this trip when seventh of 10 in handicap at Yarmouth 23 days ago. Others more persuasive as he makes all-weather debut.			
6	1	ROKER ROAR (IRE) (14)	96
	74-33224	3 9-7 60.3kg	
Andrew Balding		<i>Callum Hutchinson</i>	
Still looking for a breakthrough success but has been holding his form well in handicaps, making the frame here (1½m) for the second start in a row when fourth of 8 on latest outing. Has shaped as if this longer distance could suit.			
7	6	NESWICK (14)	91
	3433	3 9-6 59.9kg	v
Marcus Tregoning		<i>Dougie Costello</i>	
Promise on first 2 outings but hasn't found any improvement the last twice, kept to novice company when third of 9 at Ripon (1½m) 2 weeks ago. Has something to find up in trip for handicap debut with visor applied.			
8	8	COSMO BROWN (IRE) (11) (BF)	100
	8836324	3 9-4 59.0kg	★
William Muir & Chris Grassick		<i>Marco Ghiani</i>	
Has made the frame all 3 starts since being gelded, doing well after making a mid-race move when fourth of 13 at Bath (13f) 11 days ago. Can make his presence felt upped further in distance.			

8 DECLARED RUNNERS

BETTING FORECAST:

6-4 Halimede, 9-2 Leagle Aid, 6-1 Cosmo Brown, 8-1 Roker Roar, 11-1 Dust Cover, 14-1 So Alex, 22-1 Neswick, 28-1 Knightsail

TIMEFORM VIEW:

HALIMEDE proved a different proposition when easily winning her first 2 starts in handicaps and, having not been seen to best effect in her hat-trick bid, she is well worth another chance. Cosmo Brown shaped promisingly when making the frame at Bath recently and is feared most, ahead of L'Eagle Aid.

1	2	JOHN T (26) (D)	94
	7/220251-9	4 10-2 64.4kg	<i>Callum Hutchinson</i>
Jonathan Portman Justified strong support when opening account in handicap at Kempton on final outing last season. Little promise after 11 months off when last of 9 at Windsor in September, but this run should reveal more.			
2	6	FLIGHTOTHEPHOENIX (IRE) (14) (D)	99
	3-7721163	4 10-0 63.5kg	<i>Dougie Costello</i>
Charles Hills Finally off the mark at Kempton in August and followed up at Ffos Las later the same month. Possible excuses next time and soon bounced back when third of 8 over C&D 2 weeks ago, despite having not been ideally placed/meeting trouble. Strong contender.			
3	12	LILLY LUX (FR) (22) (D)	96
	03-264231	5 10-0 63.5kg	<i>Callum Shepherd</i>
George Baker Dual all-weather winner over 1½m in France who finished runner-up twice at this course in first half 2026. After 4 months off, gained a first success for this yard at Wolverhampton (9.5f) 22 days ago, so she could be in the mix back at this venue.			
4	10	MASTERLY (FR) (14)	88
	44	5 9-13 63.0kg	<i>Jack Callan</i>
Charlie Johnston Placed on debut at Yarmouth back in 2023 but absent almost 3 years subsequently. Left behind his reappearance effort when fourth of 13 in maiden here (11f) 2 weeks ago, despite a less-than-ideal position. Interesting up in trip for handicap debut.			
5	9	DREAM HARDER (IRE) (14) (D)	99
	66-681476	7 9-13 63.0kg	<i>Charles Bishop</i>
Mark Loughnane Fitted with tongue strap, successful on third start for this yard at Epsom in July. Met trouble in running when 2½ lengths sixth of 8 over this C&D 2 weeks ago, so he's one to note back down to the same mark as for his win during the summer.			
6	5	DOMINATION (IRE) (17)	100
	76-141335	3 9-10 61.7kg	<i>Oisin McSweeney</i>
Harriet Bethell Made it 2 wins from first 3 starts for this yard when scoring at Doncaster (1¼m) in June. Has continued in good heart since, third over this C&D on penultimate start before a creditable fifth of 12 back down in trip at Redcar 17 days ago. Respected with cheekpieces added.			
7	13	AMERICAN STATE (IRE) (19) (C)	98
	10064244	4 9-9 61.2kg	<i>Luke Morris</i>
Ivan Furtado Successful at Wolverhampton and this course (both at around 1m) on 2 of first 3 starts this year. Has made the frame on last 4 outings, staying-on fourth of 10 at Wolverhampton (8.6f) 19 days ago, and looks worth stepping back up in trip (stays 9.5f but yet to try further).			
8	8	BONDI (IRE) (14) (D)	92
	416186-78	4 9-9 61.2kg	<i>Zak Wheatley</i>
Declan Carroll Won 2 handicaps for Richard Hannon last year but looks to have been brought along gradually by current yard in 2 outings this season, 4½ lengths last of 8 over this C&D 2 weeks ago. Back down in the weights, though, so he's worth a market check.			
9	1	MELODY DE VEGA (IRE) (16)	96
	3-3582163	3 9-8 60.8kg	<i>Marco Ghiani</i>
Tom Ward Off the mark in 4-runner handicap at Leicester (1¼m) in July but wasn't in the same form next time. However, making first run since leaving Dr Richard Newland & Jamie Insole she soon bounced back when third of 12 at this course (11f) 16 days ago, nearest at the finish.			
10	11	SEACOLE (IRE) (13)	88
	242732	3 9-7 60.3kg	<i>Rhys Clutterbuck</i>
Ralph Beckett Has shown fair form so far, running well when second of 6 in novice at Epsom (1¼m) 13 days ago, clear of the rest. In good hands but needs to find more as she goes back up in trip returned to handicap company.			

11	3	GRAND PIER (37)	96
	754-06217	3 9-7 60.3kg	<i>Edward Greatrex</i>
Warren Greatrex Took another step forward when scoring in decisive fashion in handicap at Ffos Las (1¼m) in August. Possibly found the race coming too soon when well held over this C&D a week later, so he could fare better given more time ahead of this race.			
12	4	HONOURAMONGTHIEVES (102)	98
	662-56676	3 9-5 59.4kg	<i>R. P. Cleary</i>
C. W. J. Farrell, Ireland Still looking for a breakthrough success and has yet to finish better than mid-field in handicaps, sixth of 10 at Roscommon (10.5f) when last seen in June. Makes all-weather debut on first run for yard after leaving Kevin Thomas Coleman.			
13	7	A DAUGHTERS LOVE (2) (D)	98
	01248656	3 8-10 55.3kg	<i>Darragh Keenan</i>
David Flood Successful 3 times this year, the latest at Ffos Las (1½m) in August. Hasn't been in the same form of late but without being seen to best effect, needing a stronger gallop when sixth of 8 at Bath (1¼m) on Thursday.			

13 DECLARED RUNNERS

BETTING FORECAST:

9-2 Lilly Lux, 11-2 Flightothephoenix, 8-1 Domination, 8-1 Melody De Vega, 11-1 Grand Pier, 14-1 Seacole, 14-1 Masterly, 16-1 American State, 16-1 John T, 18-1 Honouramongthieves, 22-1 Dream Harder, 22-1 Bondi, 28-1 A Daughters Love

TIMEFORM VIEW:

Preference is for FLIGHTOTHEPHOENIX, who was unlucky not to finish even closer when third over this C&D a fortnight ago. She looks up to adding to her 2 wins in August, though Domination has been proving consistent and isn't taken lightly with headgear applied. Dream Harder and Masterly are also considered.

TIMEFORM 1-2-3:
