14 Ethel was on the same start as Ragnhild W.M. last time and after finishing well in a bit behind the winner, she was also ahead of her over the finish. She faces even better conditions this time. **11 Rötungen** has been racing under the saddle lately and done well. Is also a good sulky horse and barefoot is a plus. **15 Ragnhild W.M.** has earned most money and won the Swedish Championships for fillies and mares in September. She returned after a short layoff last time and did alright. Can do better but faces tough conditions. **9 Idu Live** is not reliable but very speedy. Possible.

9 Kingsman has made six starts for his new trainer and been at least second without a mistake. Is not reliable but has good capacity. Could win this from outside the leader as well. **5 I.B.G.Flair** is the main challenger. Won against easy opponents in March but has changed owners now. Did well in his two ridden starts and has a nice task here. **10 Evoque d'Arc** has been in good company lately. **7 Odens Riff** is capable but not quite at the same level as he showed last spring.

3 Åsrud Jerven has been convincing lately and scored many wins. Is a quick starter and will probably find the lead straight away. Prefers the short distance, but in this company he should have top chance regardless of position. **6 Backhammer** met our pick in the last race but galloped. Has the form and capacity to win. **5 Teknologen** is gifted, but has not convinced at all lately. Possible if improved. **10 Grådö Bo** has good speed but is not reliable at all.

4 Against All Odds started his career well and was heading towards an interesting three-year-old season, but after the victory in April the horse has not started. Comeback now. Top chance anyway. **13 Hold On Tight** followed alright after a trip from first over last time. Tricky lane and a handicap. **8 Xanthis Joojoo** has not raced for a long time, but shown quite good speed. Is driven by trainer Fredrik Wallin and competes barefoot straight away. **10 Frojdholm** is capable but has had a lot of problems.

7 Real News is a top horse in principle. Won well in the last race and if this horse stays fresh there is a lot to be gained. Given despite the lane. **5 Molte Wibb** was very nice during the winter and many thought he was a real class climber. He came back after a layoff last time and seems to be much improved now. In the fight. **12 Alberdi Wine** showed nice pace in the last race. Boring lane but strong and will enter the race without complications. **6 IDHawkspeed** won in easy opponents in the last race and produced a maiden. Tougher now, but good enough.

6 Go For Manny is a very quick starter and even though the horse has not won from the lead both last time and three starts ago, it is likely that Oskar Kylin Blom still chooses this option when almost all his main rivals have got poor starting positions. Our pick. **9 Global Easy Rider** is the main challenger. Was really strong in the last race and is in top form. **12 Västerbo Ajax** is perhaps the best horse in this race, but this lane is really poor. **11 Exklusiva Liss** has one run under her belt after a long layoff.
