10 Wagamama Pellini is in good form and deserves a victory. Was not empty after a late opening two starts back. Our pick here with the right journey. 9 Someity has not raced since August. Did well this spring but was not as good after that. Should be followed directly in this comeback. 7 Bottnas Hope has been running in the lead lately and she could find that position again here. Early contender if she will be allowed to dictate the pace. 1 Hanna Sisu is chasing the first win. Possible here with this nice number.

4 Åse Sannejentå is our pick since she is better drawn than the main rivals. Can open fast and comes from victory in the lead. Should be even better now. 6 Lille Fröken Stöen is as fast as our pick but she does not always trot perfectly. Main challenger if she is at her best. 10 Eva R.G. finished well behind our pick in the last run. Could put in a strong finish again here. Should not be overlooked. 12 Hyttas Vrålsnabb is an outsider if he trots well now.

5 Beamer is our pick in this open short distance run. He has not convinced lately but showed good speed this summer. Our pick. 11 Winstone Tabac did not live up to the expectations as a favorite in the last run. Can do better and has won five out of 13 races so far. 1 Digital Quality has got an interesting number but she needs to avoid a mistake first. Won four starts back when she did not gallop. 6 Kona Boko had to qualify in the last run. Has good skills and this number is nice.
