3 Taittinger is a quick starter and faces nice conditions here. Should have a good chance to lead this throughout over the short distance. 1 Nice and Quick has shown great form lately. Was third in the last V75-race and should be considered early here regardless the journey. 8 Phantasy Tile is a lot better than the latest results show. Is driven by the trainer this time and that is a handicap. 9 Dynamic Raja would prefer quick pace here and in that case the horse should be considered early.

2 Inara O.E. could find the lead here and will not be easy to defeat in that case. Our winner. 9 Dame de Tailleur could get a good start with this number and reach a nice position directly. She is an early contender here. 10 Hi D. has shown good form lately and he could find a good position directly as well. 4 Claire di Quattro is well drawn and could get a nice defensive journey here. Possible with some racing luck.

3 Mojito Day can open fast and is the favorite to reach the front with this nice number. Good chance here. 7 Izzi's Newport makes his debut in Sweden and the chances are not easy to predict. Beat Portland in the last run and has two runs under his belt now. On the way up. 9 Digital Process is fast with the right trip from the back. Could defeat all opponents but needs some racing luck. 4 Cojito has been improved lately after a mediocre period. He has to be considered early here.
