6 Elegant C N was clearly beaten by Smokin Joe in the last run but finished well. Should normally have a good chance here. 4 Frodo Cash has not won for a while but is good for this class and should be considered early as well. 2 Hero Boom Bay kept up the pace well in the last race won by High Five but never had a real chance. Early choice. 3 Hurricane K K got locked in with plenty of energy left in the last run and looked very nice at the end. Possible with more racing luck here. Has to be followed.

8 Ideal Stone has scored six wins in 13 starts which is worth a lot in this race. Hard to beat despite this number and our pick. 7 Holger J J comes from a nice victory and that was well deserved after a couple of good efforts. Has to be considered again here. 4 Midas di Quattro has no less than seven second spots but is still waiting for the first win. Possible with some racing luck. 1 Jada kept up the pace well after a perfect journey in the last run. Interesting number and should not be discounted in this race.

2 Gipsy K is chasing the third win in a row and the fourth one in the last five races. Perfect number and good chance to beat these opponents. 4 Syster Gunnel has shown good speed both for Timo Nurmos and Joakim Lövgren. Debut for trainer Ken Ecce here. 5 Hunting Shadow scored a good win three starts back but has galloped after that. Early choice without a mistake. 1 G Work Your Magic could get a nice trip here and with the right journey during the final lap he is possible. Contender.

3 Harley Mosebo can open fast and is the favorite to find the lead with this number. Our pick. 8 Painted Genius had not started for a while before the last run and is certainly improved a lot by that start. Early choice. 7 Henri Cloc has shown good speed and if he handles this number he will fight for victory. 6 Harald Derm met too good horses in the last run on Aalborg. Easier opponents here and early contender.
