R1 VINCENNES [L-H]

**C1 - PRIX DE L'ANGOUMOIS - 2700m (a1m1/2) - Class C - Harness - EUR
€ 46,000**

1. LORELEI DE REUX - Capable element that failed to make any impression in a Class B under these conditions late last month. In good company once more and will have little to offer

2. LAREDO BAY - Handy filly that has previously imposed over 2700m here but was lacklustre 9th of 12 in race of reference and even with Mathieu Mottier in the bike, is not an obvious choice

3. LIBERTY PAT - Beat LOUISA D'ATOUT (13) when 2nd in a Class C over track and trip on 17 October, before losing her action in race of reference. Is plainly in shape though and Eric Raffin maintains faith. First 5

4. LAROZE DU GERS - Trounced the opposition in a 2100m Class D here on 14 November. Has won 6 of the 8 races she has finished, and in current form is very easy to like for the double

5. LADY DU CHATELET - Runner-up to LOUISA D'ATOUT (13) in a Class D over course and distance on 31 October. Lost her action in a Gr.3 here a month later though, and cannot be considered a priority

6. LOLA DU CAMPUS - Surprise 4th in a Class B over track and trip in October before finishing 10th in the race of reference, and can be passed over

7. LARA DE CHENU - Sprang something of a surprise when victorious in a 2850m Class D here 12 days ago. Confirmation seems unlikely but can nonetheless compete for a first-5 cheque

8. LIBERTA MESLOISE - Returns to conditions she adores after being well-conditioned for this. Won her only barefoot start over 2700m and is not incapable of repeating

9. LIZZY DE JOUDES - Honest filly but found wanting when 5th of 7 finishers in a 2850m Lyon-Parilly Class A in mid-November. Barefoot this time but looks outclassed on Vincennes bow

10. LALUNA DES FORGES - Has done nothing but improve over recent weeks, most recently beating many of these when 2nd in a 2850m Class C here 3 weeks ago. Its plainly close to her race and while unlikely to impose this time, can nonetheless pick up some prizemoney

11. LEDA MESLOISE - Showed significant ability last winter but has yet to get into her stride this term. Pierre-Yves Verva at the helm on this occasion and it is just a question of time before she gets back in the game

12. LUNGA DES BROUSSES - 2nd in a 2700m Graignes Class B prior to finishing 5th of 13 behind LALUNA DES FORGES (10) in a 2850m Class C here 3 weeks ago. Faces a tougher test on this occasion and is unlikely to influence the outcome

13. LOUISA D'ATOUT - Imposed over track and trip before running 3rd of 13, a place behind LALUNA DES FORGES (10), in a 2850m Class C here 3 weeks ago. Is not quite as good as her stablemate but can still give her a run for her money. Chance

14. LAGUNE PIYA - 6th of 13 behind LALUNA DES FORGES (10) in a 2850m Class C here 3 weeks ago. Is no slouch on a good day but in current condition is unlikely to cause an upset

WEDNESDAY, 10/12/25

15. LITTLE STAR FLEURY - Has bags of ability but has not been seen out since April and others easier to trust

16. LUMINOUS STAR - Eliminated in a Class B over track and trip when preparing for this late last month. Catch-driver at the helm this time and will be no pushover if she stays trotting

Summary: Very hard to knock when barefoot and focused, LAROZE DU GERS (4) set a blistering time when flying up over shorter here in mid-November. She has yet to deliver over 2700m here but with stride in check can bring home the bacon this time. Matthieu Abrivard will still be mindful of LIBERTA MESLOISE (8) who excels over course and distance when competitively-shod, and a reconfigured LOUISA D'ATOUT (13) whose form and aptitude cannot be called into question. Tricky she may be but LUMINOUS STAR (16) acquitted herself well after being eliminated here late last month, benefits from a superb entry, and Gabriele Gelormini will be at the helm this time. LIBERTY PAT (3) was competitive for a place when eliminated here 3 weeks ago but can play an important role if Eric Raffin keeps her focused.

SELECTIONS

WEDNESDAY, 10/12/25

C2 - PRIX DE LANGEAC - 2175m (a1m1/4) - Class E - Mounted - EUR € 41,000

- 1. KILT** - Has done nothing of note in either code all year and is not about to change his ways
- 2. KYMIJALLY** - Has been at the top of his game for some time under harness and latterly ran 2nd to a very good mare over 2850m here in late-October. Can prove a handful but can also dispute the finish if Guillaume Martin keeps her focused
- 3. KRACUS DE GUEZ** - Showed promise under the saddle earlier in his career. Is in his category this time and, shod as he was when 5th in a Gr.3, could find himself back in the winners' circle
- 4. KANGCHENJUNGA** - Courageous 4th in a 2200m Class E over the short course, on monte debut, a fortnight ago. Has previously won over the main track and looks competitively well in
- 5. KAP ORNE** - Starts for the first time since finishing lacklustre 6th of 9 in a Class C here on 14 October. Barefoot this time but others still easier to back
- 6. KING DU RIL** - Capricious sort with talent in spades. Thrives over the main track but would be preferred barefoot
- 7. KAVANI** - New to the discipline but showed his form under harness last week despite being eliminated. Has never raced over 2175m before but is confirmed over the main track and should have the wherewithal to finish in the mix
- 8. KING STALLION** - Tricky character starting for first time for over 2 months and best to hold off
- 9. KADOR JOSSELYN** - Complicated but capable type taking first competitive monte steps after putting in a respectable harness effort here. Alexandre Abrivard in the irons and a place in first 5 is well within his reach
- 10. KAPITANO DE LOU** - Makes monte bow after a string of unremarkable harness performances and is not easy to recommend
- 11. KORINTO BELLO** - Failed to confirm early-October victory when eliminated in a Class D over 2700m here 2.5 weeks ago. Form is not in question and Mathieu Mottier will be eager to prove the point
- 12. KLASSIC DREAM** - Would have finished in the mix on his monte debut at Mauquenchy last week had he not faulted in the straight. Adrien Lamy stays faithful and will be one to keep an eye on

Summary: KRACUS DE GUEZ (3) has little experience in the monte discipline and has not been seen under the saddle since February 2024, but he is justifiably well-regarded, has been reconfigured for the occasion, and will be partnered by Eric Raffin. KYMIJALLY (2) has raced just the once in the discipline, but has been excelling under harness, and her recent Vincennes bow did not go unnoticed. KORINTO BELLO (11) drops back in category and is plainly in form. KAVANI (7) debuts in the discipline after some misfortune last week, sports modified shoeing, and looks competitively well in.

SELECTIONS

C3 - PRIX DE MERAL - 2200m (a1m1/2) - Class E - Harness - EUR € 35,000

1. **MAGIC MAGGIE** - Unraced since coming 3rd, a place behind MADEMOISELLE JOLIE (2), in a 2725m Pornichet Class F in late-October, and is not about to trouble the opposition
2. **MADEMOISELLE JOLIE** - Runner-up in 2 of 3 before being eliminated in a 2275m Nantes Class F last week. Faces a different challenge here and cannot be considered a concern
3. **MYRIADA** - Got off the mark in Durtal but failed to confirm at Reims a month back. JMB in the bike this time however and is unlikely to be going home empty-handed
4. **MERVEILLE DAB** - Has yet to get off the mark but is seldom far from the action. Was not at her ease over the main track late last month, but can pick up a cheque if she takes to the more even surface
5. **MY CHARMING** - Showed improvement on Vincennes debut 3 weeks ago, but was well-beaten nevertheless, and will need to find more
6. **MAIWENN D'AVEL** - Has won 2 of the 3 races she has run, most recently a 2400m Chateaubriant Class F with ease a month ago. Raffin maintains faith and can be confident of another big performance
7. **MIBORA BUISSONAY** - Encountered no opposition on comeback 10 days ago when dominating a 2700m Graignes Class F. Makes Vincennes debut with morale on a high and can challenge for a place in the frame
8. **MILADY DE LA PIECE** - Eliminated as often as not but made short work of a Cordemais Class F on 23 November. Trainer in the bike this time and a repeat looks a distinct possibility
9. **MELROSE DES VAUX** - Got off the mark on turf on 19 October before faulting in a Mauquenchy Class E a month ago, and is unlikely to have many takers
10. **MAJESTE DAB** - Let the side down when well-beaten 9th of 11 in a 2100m Class E here 3 weeks ago. Is plainly better than that though, benefits from a good entry, and Damien Bonne will be determined to set the record straight

Summary: Although somewhat spirited on her comeback here last month, MILADY DE LA PIECE (8) went on rout the opposition at Cordemais and, provided Matthieu Abrivard keeps her focused, can confirm. Twice a winner going clockwise, MAJESTE DAB (10) continues her quest to prove she can race both ways and it is only a question of time. MAIWENN D'AVEL (6) takes a notable step up in category but is reunited with Eric Raffin who won with her at Chateaubriant. Winner at Graignes on re-entry, MIBORA BUISSONAY (7) should take well to the new profile and will be no soft touch.

SELECTIONS

MILADY DE LA PIECE (8) - MAJESTE DAB (10) - MAIWENN D'AVEL (6) - MIBORA BUISSONAY (7)

C4 - PRIX DE VALDAMPIERRE - 2200m (a1m1/2) - Class D - Mounted - EUR € 33,000

1. **NAGINATA** - Untried filly that will have come on since her spring qualification. Is bred to be a champion and Paul Ploquin will have his sights set on a debut victory
2. **NAYAMA BERRY** - Career debutante that qualified in 1'18"9 under harness in early-August. Entrusted to Jean-Yann Ricart for the occasion and will make her racecourse bow with considerable support
3. **NEMESIS DU LOISIR** - Qualified in 1'18"6 under the saddle at Saint-Galmier 3 weeks ago, but in this company cannot be considered dangerous
4. **NIGHT LILOMA** - Untried filly that qualified in 1'19"8 under harness at Caen in June, and appears to be facing a tough test first time out
5. **NIKITA PRIOR** - Unexceptional in qualification when posting 1'20"5 at Meslay-du-Maine a month ago and appears to be out of her depth
6. **NOCTURNE DE BUSSET** - Set off no fireworks in qualification at Meslay-du-Maine a month ago but will benefit from an Anthony Barrier ride and should not be written off
7. **NOORHA D'IQUAINE** - Takes first competitive steps after having qualified in 1'20"1 under harness at Caen in August. Hails from a good yard but cannot be considered a priority
8. **NORA ANGEL** - Qualified in 1'18"4 under the saddle at Caen in early-October. Is not about to cause an upset but will be interesting to watch
9. **NYSKA** - Missed the break on her debut at Angers 2.5 weeks ago but hails from a yard going good-guns and can make amends and finish close
10. **NATURE DU GOUTIER** - Would have finished closer at Cherbourg first time out had she managed to stay trotting. Moves to the monte code, in good shape, and should be capable of finishing thereabouts
11. **NIKITA DU BOUFFEY** - Looked rather ordinary on monte debut 2.5 weeks ago when 5th of 9 finishers in an Angers Class E, and is unlikely to stir things up
12. **NIKITA DES CHARMES** - Failed to confirm Les Andelys performance when eliminated in a Caen harness Class D on 19 October. Is out of a classic-placed mare, comes here fresh, and debuts in the code with a realistic chance of finishing close
13. **NEO VANILLA** - Unthreatening but respectable 4th of 12 in a 2550m Reims harness Class E on 23 November. Is not without merit but takes on a tough bunch first time in the discipline
14. **NOSTALGIE DAIRPET** - Takes first competitive monte steps after running 2nd in a harness claimer here last week. Benjamin Rochard in the saddle and is unlikely to be far off the mark
15. **NEPTUNE DES ARRIS** - Switches code for first time after holding her own in a 2175m Class D here 2 weeks ago. Enjoys a good entry for monte bow and should not be underestimated

WEDNESDAY, 10/12/25

Summary: From arguably the best nursery in the country, the blue-blooded NAGINATA (1) has been held back after qualifying in the spring, but she will not be coming here unprepared and, if as good as billed, her place is in the winners' enclosure. Similarly untried, and beautifully-bred, NAYAMA BERRY (2) is unlikely to be far from the truth. With her trainer in the irons this time, NYSKA (9) will be expected to bounce back from her debut elimination. Bred for the monte code, NIKITA DES CHARMES (12) showed her form under harness at Caen and with application can go close.

SELECTIONS

WEDNESDAY, 10/12/25

C5 - PRIX POITOU-CHARENTES - 2850m (a2m) - Class B - Harness - EUR € 75,000

1. INHERIT - Has been going from strength to strength in recent months, latterly close 3rd in a 2700m Class C here on 24 November. Is not about to cause an upset but starts in front and can finish in the mix

2. HAPPY DANOVER - Won over course and distance early last month but has twice failed to confirm since and will have nothing to contribute

3. INSIGHT SPOKEN - Won 2 on the trot before losing his action in a Class D over course and distance on 29 November. Is patently in rude health and Eric Raffin will be keen to take advantage of the front-row break

4. GALION - Produced at 29-1 surprise when 2nd of 16 in a Class D under these conditions late last month. Is nicely-entered on the front row and cannot be ignored

5. HOLD UP DU SAPTEL - Justifiably well-regarded trotter with a Gr.2 conditioner in him after 3 months off. Has raced and placed at this level and is not incapable of getting a look in

6. HASARD D'ERABLE - Excellent in the provinces over the summer but subsequently lost his way. Is back under harness after a monte conditioner but must first reaffirm

7. ISOFOU DU CHENE - Oddly below-par 13th of 15 behind IROISE DE LA NOE (8) here 2.5 weeks ago. Is undeniably better than that and looks the best prospect to oppose IROISE DE LA NOE (8)

8. IROISE DE LA NOE - Multiple Group-winning mare that has returned to competition in excellent shape. Will be fully fit by now and expected to wrap this up

9. HARMONISTA - Ran 2nd in an Argentan Class A before coming 8th of 12 behind GOAL STAR (11) in a 2700m Class A here on 17 November. Returns to a more reasonable level, presents good course-and-distance credentials, and must be respected

10. INSHORE - Quality individual being prepared for a campaign in the other discipline and can be disregarded

11. GOAL STAR - Put in a good showing to come 6th of 12 in a 2700m Class A here on 17 November. Dominik Locqueneux could not have wished for a better entry and Alexandre Abrivard will be eager to oblige

Summary: A classy mare with nothing to prove in this class, IROISE DE LA NOE (8) missed out by the smallest of margins here recently but will be shod as she was when imposing under these conditions last winter and should logically take all the beating. Leading the opposition, ISOFOU DU CHENE (7) should not be too hastily-judged for failing to impress behind her, and will be expected to make amends. INSIGHT SPOKEN (3) was unable to secure the hat-trick when eliminated here late last month, but his form is sure, he enjoys a 25m head-start, and on good behaviour can apply the pressure. GOAL STAR (11) held his own in a tough Class A here last time and the dip in category will only work in his favour.

SELECTIONS

**C6 - PRIX DE DOMFRONT - 2100m (a1m1/4) - Class E - Harness - EUR €
41,000**

1. KACHA DE L'ITON - Had been knocking at the door before the spell, finally running 2nd over 2850m here in late-September. Has a race under her belt, has a lot going for her this time, and is easy to fancy for the win

2. KATINA DE TOUSSAC - Has taken her game to a new level over recent months, although very unlucky over 2700m here 2.5 weeks ago. Benjamin Rochard will be out for redemption and will have his sights set on KACHA DE L'ITON (1)

3. KOPALINE DE CHENOU - Disappointing in 2 since a spell, latterly 9th of 16 in a Lyon-La Soie Class E a month back. Handed a good draw but still has too much to find

4. KLOE D'ARRY - Ran 2nd in a Class E under these conditions before holding her own in better company next time. Benefits from a top spot behind the car and must be taken more seriously this time

5. KELLE - Won 2 from 3 before running 3rd of 14 in a 2500m Reims Class F on 23 November. Imposed on sole start in the day's configuration and the draw will do her chances no disservice

6. KELOMA DREAM - Given time to recover after running decent 6th in a 2150m Enghien Class E on 18 October. Had imposed at Laval the previous month and, with application, can finish in the mix

7. KAROLYNE DE MALAC - Back under harness after coming 2nd in a 2200m monte Class E here a fortnight ago. Is plainly in good shape and cannot be ruled out

8. KINOUE DAB - Made up for Enghien blip when finishing excellent 5th in a 2700m Class E here on 22 November. Forced to start wide but in current form is easy to like for a first-5 cheque

9. KALAMITY DE CHENU - Reconfigured following a pair of conditioners, most recently finishing last of 11 in 22 November race of reference. Competitively-shod this time but still represents no more than a minor place chance

10. KATAVIA PRESS - 3rd in a 2850m Mauquenchy Class F a fortnight ago, on just 2nd start back. Competitively-shod this time but would be preferred a level down

11. KATANE DU CORTA - 9th in a claimer here late last month. Has done nothing of any note for some time and is not about to change her ways

12. KENTIA HAUFOR - Tricky sort that ran respectable 5th in a Reims Class F a month ago. Is barefoot this time but faces a much tougher test on this occasion

13. KATE DU RIL - Quality element making first start since last January. Will be race-rusty though and will not be given a hard race

14. KISMIE GRIFF - Unexceptional sort with 3 races under her belt since the summer break, but has yet to convince and will need to raise her game

15. KIERA MAGIC - Useful mare that took little time returning to competitive ways, most recently 2nd in a Beaumont-de-Lomagne Class F 10 days ago. Handed a tough number though and may just have better prospects racing clockwise

WEDNESDAY, 10/12/25

Summary: Consistent for the most part at this level, KACHA DE L'ITON (1) races barefoot following her recent return from a spell, enjoys a terrific entry, and will be partnered by Eric Raffin for the first time. He will nevertheless be keeping a watchful eye on the in-form KATINA DE TOUSSAC (2) who endured a woeful trip here that day, and the better-placed KLOE D'ARRY (4) who ran 2nd over course and distance early last month. KELOMA DREAM (6) may not have been seen out for almost 2 months but she has otherwise been in decent shape and should not disappoint.

SELECTIONS

WEDNESDAY, 10/12/25

C7 - PRIX AUGUSTE FRANCOIS - 2700m (a1m1/2) - Gr3 - Mounted - EUR € 90,000

1. JEZABELLE BIE - Won Gr.1 Prix Bilibili this time last year but has not been as performant since. Did not enjoy the best of luck in a Class C here 10 days ago though and Paul Ploquin will be keen to put things right

2. GAZELLE DE VAL - Has taken some time to come to hand, most recently a disappointing 5th in a 2850m Gr.3. Has form at the highest level but presently seems to be far off that mark

3. GALA D'URFIST - Not without merit but has picked up this term where he left off earlier in the year, and is not about to influence the result

4. GOOD GIRL MARCEAUX - Honest sort that was not disgraced in a 2850m Gr.2 here late last month, but still has more to find

5. GO OR NOT - Failed to make any impression on first objective of the winter, finishing last but one in a 2850m Class B here 3 weeks ago, and can be ruled out

6. FILOU D'ANJOU - Useful on a good day but looked ordinary when 6th of 11 in a 2850m Class B here 3 weeks ago, and can be passed over

7. HALFA - 5th in a 2175m Gr.2 here in early-November before losing her action in a harness prep at Mauquenchy 3 weeks ago. Is unlikely to get her nose in front but is barefoot and a first-5 candidate

8. JEROBOAM D'ERABLE - Terrific campaigner in the monte discipline and presents superb course-and-distance credentials. Is plainly the classiest horse here and can make this his own

9. IMPALA DE VAL - Occasionally loses focus but is otherwise a high-calibre trotter. Excels under these conditions and will not be far from the action

10. HANNIBAL TUILERIE - Returns to a code he appreciates after a pair of harness clinkers. Has references at a decent level and should not be underestimated

11. IGUSKI SAUTONNE - Gr.1-winning element that ran an impressive 5th in the Gr.2 Prix de Bretagne over course and distance on 16 November. Is new to the discipline and faces a tough test against JEROBOAM D'ERABLE (8), but is not incapable of surprising

Summary: A veritable champion in this branch of the game, JEROBOAM D'ERABLE (8) has been given a pair of harness fresheners, returns to the monte code fully-fit and shod to preference, and is in with a realistic shout of getting straight back down to business. IGUSKI SAUTONNE (11) beat Justin Bold in the Gr.2 Grand Prix du Sud-Ouest in October, then ran 5th in the Gr.2 Prix de Bretagne, and debuts in the code with Alexandre Abrivard in the saddle. As faithful as one could hope for, and easy Laval Class A winner recently, IMPALA DE VAL (9) is unlikely to let the side down. Gr.2-placed earlier in the year, HANNIBAL TUILERIE (10) is back under the saddle and merits significant respect.

SELECTIONS

JEROBOAM D'ERABLE (8) - IGUSKI SAUTONNE (11) - IMPALA DE VAL (9) - HANNIBAL TUILERIE (10)

WEDNESDAY, 10/12/25

C8 - PRIX DE BLANQUEFORT - 2100m (a1m1/4) - Class D - Harness - EUR € 59,000

1. **HISA DU MARGAS** - Drops back down the category-ladder after being trounced in a 2850m Laval Class A early last month, but has been off the boil for some time and can be ruled out
2. **FERVENTE** - Produced a fine performance to run 2nd of 16 in a Class D over track and trip last Friday. Has 7yos and 8yos to contend with this time and although unlikely to repeat, can still play a part
3. **ICONE D'ERABLE** - Ended her autumn on a high note, winning a 2700m Class D here in late September. Has a run under her belt since the break and has every chance of imposing on first start back
4. **IENA D'ORGERES** - Barring a Laval sanction, has been excelling over recent months. Is plainly close to her race and even though in better company, is ideally-placed in front and can play a leading role
5. **IRIS FROM** - Got back in the winners' enclosure after securing a Saint-Galmier Class E 2.5 weeks ago. A repeat seems improbable but is still well-placed to give this a good go
6. **INITIALE CASTELETS** - Pleasant 3rd in a Marseille-Vivieux monte Class D late last month. Runs here for reasons of conditioning and will have few friends
7. **GOLDEN GRACE** - Starts for the first time for 3 months but races barefoot with Paul Ploquin reining. Has previously imposed under these conditions though, starts in front, and is worth keeping an eye on
8. **JOY ALISSA** - Quality nordic element back under harness after running 4th in a monte Class B here on 20 November. In this line-up for a change of scenery though and can be passed over
9. **ISIS D'HERFRAIE** - Has a race in her since the autumn break. Has never disappointed over 2100m here when shod in the day's formula and, even though widely-drawn, will have her supporters
10. **IDOLE D'OURVILLE** - Has hardly put a foot wrong for some time, latterly storming up in a Class D under these conditions on 1 December. Benjamin Rochard would have preferred a better draw but is still in the running for the silverware
11. **INES DE LA ROUVRE** - Produced a pair of good performances here before prepping over 2850m here last week. Forced to start on back row but form is sure and she looks competitive for a place on the podium
12. **SANGRIA PELLINI** - Made up for Gelsenkirchen elimination when coming 2nd of 8 over 1900m in Berlin-Mariendorf on 23 November. Has solid references under these conditions and the Eric Raffin-factor cannot be ignored
13. **ISKOYA** - Returns to conditions she appreciates after running 4th in a Caen Class E in mid-November, but has little going for her here
14. **IMAGE D'ATALANTE** - Sprang a 23-1 surprise when 3rd of 15 to INES DE LA ROUVRE (11) in a Class D over course and distance on 24 October. Unseen since, and handed a tough number, but is not one to be overlooked

WEDNESDAY, 10/12/25

Summary: Simply impressive from the summer through to the autumn, ICONE D'ERABLE (3) will be shod to preference following a necessary conditioner, ran 2nd under these conditions before the break, and from the 3-spot can impose. She will still meet resistance from recent, dynamic, course-and-distance winner IDOLE D'OURVILLE (10), and the better-placed IENA D'ORGERES (4) who finished runner-up. Barefoot following a return run over longer here just 6 days ago, INES DE LA ROUVRE (11) won over track and trip during the autumn and despite the draw still warrants respect.

SELECTIONS
