**Summary:** CENTRICAL (3) is best forgiven for an underwhelming latest effort and is better judged on prior form. He drops in class and will be far more effective here. He will be in the firing line. EL CANEY (6) is a fit horse heading into this event having already had three prior runs this year and could have more to offer as he drops in trip. This could be the right division for him. ACOTANGO (4) finished behind El Caney last time out but has shown in the past so should be able to bounce back to some better form. WILLY WINNER (2) is a lot better than his recent effort and will be in the shake up on overall form.
