RANK

5 Explosive Axe faces tough conditions in this race but is in top form. Looked really nice in the last race and will be hard to beat. **2 Duke Of Walner** has two runs under his belt after the break and is starting to get closer to top form. Nice number and he is an early challenger to our pick. **6 Baron Gift** has started sporadically lately. Gets a defensive trip and will certainly finish fast. **3 Type A.** did alright last time, but needs some help with both the pace and the right trip.

RANK

1 Behind The Kop won from the lead in the last race. Makes his debut behind the gate, but he will probably handle it and should have the best chance to win this race. **6 My Secret Love** won straight away after a long break and is likely to be even improved by that race. Will pass most of the opponents during the final lap. **5 Zevs Down** gave up in the last race after an offensive trip one lap from the finish. Can do better than that and is one of several horses who can win this race. **8 Sarabi** has quite good capacity but is poorly drawn.

RANK

2 S.M.K.Shamal can open fast and from this starting position he should be the favorite for the lead and from that position he is the horse to beat. **10 Bernardin** has not started since July and his form is clearly hard to predict. He likes the distance and should be followed despite the lack of races. **3 Herman** is often in the mix. He likes these conditions, but despite a good starting number he will have a hard time winning the race. **5 Lizzi B.R.** can do better than she has shown in the last few races. The mare will compete barefoot which is a plus.

1 Last Story is not reliable, but if he avoids a mistake from the start, he will take the lead and once there he should have a good chance of winning. **2 Zero Hugs'n Kisses** sprinted well two starts back after a long layoff. Not as good in the last race, but probably did not like the long distance. Normally in the fight for victory. **9 Aksel Pedro** finished quickly from far behind. He benefits from high pace and has to be considered. **8 Burn** is consistent and good, but needs some racing luck from this tough starting position.
