RANK

5 Fabulous Boy has been at least second in five starts. Barefoot for the first time is interesting. Our pick. **2 Crowe Motion** has not started since October and is now trained by Daniel Wäjersten. Should be considered directly despite the layoff. **3 Charlys Mine** made a mistake from the start in the last comeback but looked nice afterwards. Speedy horse. In the mix. **4 Ki Ti Vi** has put in several nice efforts and will soon take his first win.

RANK

7 Pysola did not convince in the last race but can do a lot better than that - as she has shown on several occasions. Can do it tough and is our winner here. **9 Pyssel** will be improved by the last run under his belt and is a clear challenger for the win. **4 Re Finans** is a quick starter and should he take the lead - which we believe - he is the horse to beat. **2 Pannemanne** will reach a nice position straight away and has to be considered here together with Mats E Djuse.

7 Mellby Merry won straight away in the last comeback and had energy left. Faces a nice task and should have top chance. **2 Gandalf Brodde** met too good opponents in the last V75 race. Can open fast and will probably be driven in the lead over this short distance. **9 Blaze Gold** looked nice in the last race but got locked in. Fast when he can save the speed and should not be overlooked - especially if the pace is high. **8 Eva Ahola** is consistent, but has a difficult starting position to deal with.

9 Parker had not started for over a year before the last race and did really well. Better with that run under his belt and with Mats E Djuse for the first time, he could score the first win of the year here. **6 Madewithlove** looked in good shape in the last race and will put in another good effort. **12 Make Or Break Zaz** resumes from a break but should still be considered as one of the better horses in the race. Possible straight away. **11 Exklusiva Liss** is often in the mix but has does not win very often.
