1 Pusjkin scored a strong third spot in Skånelandlöpningen last year behind top horses No Short Cuts and Wolf of Vancouver. The trainer uses to have his horses very well prepared and the gelding has top chance. Banker. 2 Klint put in a couple of quite good efforts as a two year old but without winning. Could finish second here. 4 Nyhavn was heavily backed but sort of a disappointment during the winter meeting. Place chance. 5 Archimedes Face was not successful in his only race last year. Could score a place if well prepared.

1 Claes showed good skills over these conditions last yera and scored one victory too. Seems to be the pick of the stable here and is an early contender with this number one. 5 Moojim faces perfect conditions money-wise in this handicap but the jockey has chosen another horse. Main challenger anyway here. 6 Whitestrip met tough opponents as a two year old. Faces nice weight conditions as a three year old and Elione Chaves is interesting. Early contender. 3 Palinda put in a couple of quite good efforts on turf last year. Dirt is a question mark but if it works out the horse has place chance here.

5 Black Power scored a strong second spot behind promising Khatsun over this 1200 dt in last year's only performance. The chances are not easy to predict in this seasonal debut. Our pick anyway. 1 Roycroft won his qualifier last year and looked nice but was defeated in the debut over 1600 dt by winning Wolf of Vancouver. This distance might be an advantage. Main challenger. 2 Kal P Dal will find it hard to beat Black Power and Roycroft but could finish third here if well prepared. 3 Vailet was beaten with 1.5 length by Kal P Dal in their meeting last season. Could score a place here.

2 **Laguna Seca** is very well bred and was closely behind **Pusjkin** in the qualifier last year. The longer distance in this debut should suit the horse very well. Top chance to win. 7 **Valon** has not won for a while. Faces nice conditions though and was competing during the winter meeting too. Possible if the favorite would fail. 1 **High Max** will travel from Bro Park. Should not be discounted if well prepared before this task. 4 **Kissnfly** faces quite tough conditions money-wise here but should otherwise like this task. Outsider.

1 **Zoo Fun** comes from a good season and uses to meet somewhat tougher opponents. This apprentice claims four kilo off. Has to be considered early. 7 **Hotcake** faces tough weight conditions but this distance is perfect and the horse faces nice conditions here. Main challenger. 8 **Toshaway** scored three strong wins over 1730 dt last year. This strong jockey is an advantage. Possible challenger but this distance is a question mark. 4 **Bingo Mar** competed during the winter meeting but might find this distance a bit long. Outsider.

1 Joker Face is strong and can do it tough. Might prefer the middle distance but won twice over these conditions as a two year old. Our pick. 7 Maid is fast and easy to handle. Has scored two wins so far over this 1200 dt. Early contender. 8 Filia Kalejs faces nice conditions here and is ridden again by Elione Chaves just like when the horse score the latest victory. In the mix. 4 Across The Pond has scored five out of six wins over today's conditions. Contender.
