9 Let Me In was second in the last Orebro International and has shown that he likes the longer distance. He can do it tough and should have the best chance of winning. **2 Mick N Boko** is the best horse in the first circle and if he reaches the front he will be tough to reach. **6 Jomo Cash** suddenly galloped in the last race but is usually good if he avoids a mistake. **4 Harmonie Du Nord** is more strong than fast which is why the distance is a plus.

4 Fly Equos Jet got defeated in the seasonal debut, but has now got a run under his belt. Lane four and Björn Goop is optimal and from here he could find an early lead, where has proven difficult to beat from. **6 Magic In** showed high peaks last year. The horse is fast from the start and ideally would be in the lead, but he is versatile. **5 Karat C.N.** is good but needs this race. **3 Look At Me Sisu** is an outsider from the pocket.

From the front or the back of the leader, he is the main challenger. **4 Gigolo Lover** is certainly the toughest horse in the field. **2 Emoji** is certainly very well prepared for this race.
