10 Jula Menuncio has been matched in tough company lately and has done really well a bit behind the winner. He is going down in class here, but at the same time he has got a tricky lane. **2 Brigo** has done well for Johan Untersteiner. Might prefer the short distance, but is in good shape. **1 Pac Man** scored a nice win in a so called P21-race last time. Is capable and faces perfect conditions. **4 Isaac Wynn** is coming more and more and is possible if he handles this lane.

6 Sanctuaire scored a very nice win in the seasonal debut and should be even better now. Really good for this class. Can do it tough. Good chance. **5 Kick The Man** galloped in the last V85 race but had done well before that. Opens quite fast and should reach a good position. **8 Eye To Eye** may not have been convincing so far, but was clearly improved in the last start. **2 Gobsmacked** was good last time even though he hadn't started for a while before that.

4 Lozano di Quattro made a comeback after a long layoff in the last race and looked nice a bit behind the winner, even though he only finished fifth. Should be improved by that run under his belt. **6 Baron Tilly** is as good as our pick in terms of capacity, but it has been a while since he was at his best. **9 Sandokan** has really good speed and with a run under his belt his form should be on the way up. **3 Felipe Roc** makes his debut for trainer Christoffer Eriksson. Has been good in tough companies.

2 O.M.Megastep has only made five starts so far but done really well. He returned after a long layoff last time and showed nice pace as fourth. Together with Carl Philip Lindblom he could find the lead after a while. **8 Coraline** is consistent and good. Competed barefoot for the first time in the last race and was good as third. Easier opponents this time. **6 Easter Goes West** has been clearly improved for the new trainer. **9 Roy Holger** is not completely reliable, but has good skills.

1 Egram was really strong in the last race after a trip from outside the leader. Beat the leading horse at the end but got defeated by Memorial Fashion. Normally a fast starter. Top chance. **4 Kind Of Blue** did alright in the last race but was beaten by our pick at the end. Might have needed that run under his belt. **11 Great Old Dance** does not always trot perfectly but has good capacity. Would prefer over-pace. **3 Hound Dog E.P.** finished to a really nice win last time.

2 Charma has competed in Italy and done really well. Back on Swedish soil now and interesting in the debut for Sybille Tinter. Owns good capacity and great speed. From a perfect draw, the horse should have a good chance. **6 Lets Go Ostedantik** earned a lot of money as a 2-year-old. Has been trained by Johan Untersteiner for a while now. Should be considered. **3 Syrah** is very capable and speedy, but also quite tricky. **8 Havana Heaven** has shown good shape for a while but this starting position is poor.
