6 Arn Silvio is good for this company. Took two wins in a row in February and wins quite often. Our pick in this quite tricky race. **5 Viking Lane** won straight away in the seasonal debut two starts back but was not as good last time finishing fourth. If he is as good as when he won he has to be considered early. Ove A Lindqvist is driving now. **7 Arctic Dominant** sprinted quickly to a second place in the last race and was close to winning. Two runs under his belt now. Where will he end up from here? **9 Last Dying Breath** was quite heavily backed in the V75 and V85 in August and December and is clearly better than the latest results show. Fourth in the comeback last time. Better now?

6 Teknologen is our idea in this fairly open cold-blooded race. He was a brave runner-up last time and will probably get an offensive start. Good chance from the front. **3 Tekla** had a good season as a 3-year-old but faces older horses now. Certainly improved with the last run under her belt and should get a nice trip. **10 Tekno Filur** has won four of seven races this season and met much tougher horses in the last V85 race. Hoping for quick pace. Jan Norberg drives. **1 Opal Kiro** started the season with two straight wins but galloped as quite heavily backed in the last race against several of today's opponents. Good lane.

6 King Cruzado did well as fourth in the last race but we think he can do even better. Scored two nice second places in Finland and faces quite mediocre opposition. **2 Twigs Mind U.** galloped last time but had scored two straight wins before that. He can open quite fast and probably won't be easy to beat from the lead. **1 Crazy Janey** has won two of four races this year. Looked a bit slow last time but is now competing barefoot and with an American bike. Interesting lane. **9 Hällebackens Nike** was third in his comeback in the last race and should be improved by that run under his belt. Tricky number but should not be overlooked.

5 Gratification wins often and was third in the last comeback race. Has been matched in tougher races and is now driven by Ulf Ohlsson. Good lane. Our pick. **11 Done Deal** is a good opponent though. He has won eight of twelve races and is coming off a strong victory on today's track. Will probably get an offensive journey. **7 Jobiline Ridge** has met very good horses at Solvalla but is now coming back after a long layoff. Is hard to predict but has really good capacity for this class. **8 Bilbao Face** has a terrible lane but he is quick starter and could actually find the lead anyway. Two runs under his belt and Ove A Lindqvist is driving now.
