## RANK

**3 Flavours of Light** is trained by Daniel Wäjersten and is making her comeback after a long break. She is certainly well prepared and gets our pick directly together with Mats E Djuse. **5 R.K.Pocahontas** has had a short pause and is making her debut for Markus Pihlström. Is good for this company and now driven by Marcus Lilius. Early choice despite this tricky number. **6 Endearing** has been quite consistent and good so far and she has to be considered as well in this open race. **10 Arizona** comes from several good efforts. Was second last time as a mega favorite and is looking for revenge. Interesting lane.

**6 Tekno Boris** is our idea in this cold-blood race. He galloped on his way to at least a second place last time and is looking for revenge now. He is our favorite for the lead from here. **5 Grevinnan Stöen** took three wins in ten starts last year and also won last time out. The Persson/Djuse combination is always dangerous. **4 Slotts Guli Rex** has put in two good performances this year. Short break now but should still be on the rise. Early choice. **9 Guldhagens Qiwi** could be an outsider. He is quite consistent and could cause an upset with the right trip.

**5 Arn Silvio** has started well this year and won very easily from the lead in the last race. Is a quick starter and our favorite for the lead. Good chance from there. **2 Conrads Åke** returns as a gelding. Hasn't competed in a while but met much tougher opposition than this. Good lane. Early choice. **10 Punchboard** also comes from the Wäjersten stable. Won together with Mats E Djuse in September. Has been a scratch but is possible with the right trip. **4 Arpi Broline** is also good for this company and has a good lane. Won in the last race but has had a short break since then.

## RANK

**5 Timotejs Nicetime** has been a scratch twice after the last race but is our pick anyway. Was fifth in the V85 two starts back and will face easier opponents now. Good chance to find the lead. **1 Gordon Kronos** comes from the Wäjersten stable but is now making his debut for Anna Näslund and is driven by Ulf Ohlsson. Tough conditions money-wise but still an early challenger from here. **14 Flory Lane** failed last time but can do a lot better. Was superior in April and competed twice in the V85 after that. Easier now and is possible despite these conditions. **8 Illusion of Joy** was just closely defeated as fourth in the last race and scored a good win in May. Has a difficult lane but should not be overlooked.
