3 Rubinstein has not won yet but been matched against tough horses too. Nice task here and top chance together with Carlos Lopez en this nice number. Possible banker. **9 Prima Kalejs** showed good form in the last race and was second and just closely defeated by Sophie B. Stands this longer distance and she could be in the mix here. **10 Ithaca** is in quite good form and this distance is the right one. Place chance. **4 Dancing Rock** makes her seasonal debut here and the chances are not easy to predict. Put in a couple of quite good performances last year though and belongs to a stable in good form.

7 Heart of Dreams has scored three very convincing victories in a row and won easily. Much tougher weight conditions now and not a banker for us. 8 Grimeford Lane was clearly defeated by Heart of Dreams in the last race. Much better weight conditions towards the latter one this time and could take revenge directly here. 3 Luna Kalejs was second to Heart of Dreams in the last race and never had a real chance. Much better weight conditions now and challenger too. 4 Ellis St Martin is in great shape but might prefer to race on dirt. Outsider.

3 Baby I'm Burnin was very clearly defeated in the seasonal debut behind an outstanding Heart of Dreams. Should be improved by that run and the only win so far was scored over today's conditions. Our pick. 5 Magic Johnson comes from a good performance and was second and just closely defeated by Ellis St Martin. This apprentice claims four kilo off again and turf suits the horse well. Early choice. 9 Une Autre Beaute faces better weight conditions now and this distance is perfect. Possible if improved. 8 Fast And Free is in quite good shape and faces nice weight conditions for this apprentice.

4 Magno Animo is racing a lot now but she is in good shape according to the trainer and she should have a nice chance to win here too. Our pick in this wide open Iron race. 7 Whip Off was improved in the last race. Turf again and possible challenger. 11 Dimeadance has done alright in two starts so far and could be on the way up. In the mix. 9 Bear Angel comes from victory over 1600 dt. Handles this shorter distance and is an early contender.

8 Archers Ignite is in great shape. Has earlier handled these tight starts well and is our pick here. 9 Alsimsaam has done well in both starts this year. Early challenger with a similar effort now but this distance might be a bit short. 3 Semiramis did not convince on dirt in the seasonal debut in May. Perfect surface today and possible if well prepared for this race. 2 Quicksteps Bloom was improved in the last race a couple of lengths behind Archers Ignite. Much better weight conditions this time and possible here.

3 Sublissimo got a perfect trip in the last race and won easily when he found room. Three kilo up after that effort but this apprentice fully compensates that. Our pick. 10 Shaken Not Stirred has put in two great efforts without winning. This 2100 meter on turf is perfect. It is his turn now. 6 The Flamingoway was a non-starter on Örevoll but put in a strong effort behind Sublissimo in the last race. Possible if improved. 8 Mr Pimms won quite easily in the last race on Strömsholm and has earlier won a Golden handicap over these conditions.
