2 Cool Canadian meets easier opponents here and scored a good victory on May 14. Can open fast and Malin Berås is a good jockey. Our pick. 6 L.J.'s Dreamcatcher has been improved lately and is better than the latest results show. He finished well in the last two runs. Possible but needs some racing luck. 3 Banker Go's got a tough trip in the last race but finished well anyway. Can do it tough and is in good shape. 4 Fougueux won comfortably two starts back and met tough opponents in the last V75 race. Is good enough to win this.

5 I.D. Derrier Pas did not trot well in the last race and galloped in the lead. Is a quick starter and should have a good chance to lead this throughout. 10 Lincoln Hanover has not convinced lately but is a good three-year-old. Hamre is pleased with him. The horse scored three straight wins earlier this year. 2 Quinzy Roy is ideally drawn since the horse can't open very fast. Needs some racing luck here but is possible in case of quick pace. 9 Quickstep O. is fast and has put in several strong efforts lately. Quick pace would be an advantage. 3 Es Trenc had four straight wins before the mistake in the last race but that was just an accident. Good chance to lead this throughout just like when the horse scored the latest win. 5 Thai Sansa had a good season as a three-year-old and despite a long break she should be considered directly here. 1 Moen Thor scored the latest win in the lead and this number one is perfect. 7 Noble Tile won the seasonal debut from behind the leader and put in a good effort in the last run too after a defensive journey. Tricky conditions but should not be underestimated here.
