6 Tactical Lady wins often. Returned after a break last time and had energy left behind a top horse. Run under her belt and barefoot for the first time. Very quick starter. **2 Screen Time Limit** was a among the best of her year last season but has not really impressed this year. She was improved in the last race and has to be considered early. **12 Rya Håleryd** is really good and has a run under her belt. This position is very poor though. **10 J.H.Ellen** is consistent and good and fights for a place in the final too.

Early challenger. **8 Bravo Benellie** was also good in the Stosprintern and this distance is an advantage. **11 Vibora** is strong and tough but the form is a question mark.
