Easier opponents now. **13 Eau De Vie Eagra** won three races ago from a similar starting position. Has to be considered. **8 Alva Ruda** is a bit up and down in her performances. Hard to defeat if he gets there. **6 Ove Palema** has done really well under the saddle recently and shown top form. He is also a good sulky horse and should be considered. **8 Donners Am** has been matched against tough horses towards the end and should be followed too despite this handicap. **3 Vikens Brummer** has taken five of his six wins from the lead. Early choice if he gets there.
