Auto 2140

1 Sol Storm was on the way to victory in the last run but galloped on the home stretch. Had the same number one then and could not find the lead. Good chance with the right trip. 11 G.G.Svea is a bit up and down. If she is at her best she is good enough to fight for victory. 4 Röluvan has not raced a lot the last couple of seasons. Was third and improved in the last run and seems to be on the way up. Warning. 8 M.G.Braxen is not reliable but one out of many outsiders if he avoids a mistake.

9 Woodcutter showed great form in the last run after a pause and won easily on Romme. Should be even improved by that race. 11 Grand Duke made a short mistake in the last run but could take over the lead anyway after a while. Did alright and will challenge for victory here. 3 H.P.Roadrunner scored a good win on July 8 and is well drawn behind the gate. Could fight for a place here. 4 Hidden Assets is consistent and can open quite fast. Typical outsider.

8 Huddlestone has won eight of eleven starts this year and comes from a convincing victory. He is all-round and our pick despite this poor number. 6 L.A.Boko is a nice four-year-old who has developed a lot the last couple of months. Has been matched against tough opponents and was second in a V75-final two starts back. 7 Reddington never found room in the last V75-race. Has been a non-starter after that but should not be overlooked behind our top duo. 1 Inspector is well drawn behind the gate here and has place chance.

7 M.T.Montpelier comes from victory over the short distance and set a new record then. Won from outside the leader then and showed that he can do it tough. 5 Take it Easy Tour got a defensive start in the last run but finished well from far back to second. Deserves a victory. 12 Secret Celebration is Wäjersten's pick in this race. Is poorly drawn but will defeat many opponents in case of quick pace. 11 Becker was a non-starter a couple of weeks ago. The form is a question mark but he is good for this class.
