4 Let's Go Crazy is a three-year-old Irish import who comes from victory in 7 Furlong Challenge on the track. Tougher opponents now but early contender with the right journey from the back. 1 Zamson Zaid is good for this class but has mostly been matched over shorter distances the last couple of seasons. Possible if he lives up to his capacity. 3 Fast And Free won a Sunday Special on this day last year over similar circumstances. 2 My Motivate Girl faces nice conditions too and is in good shape.

1 Cotton Eye Joe is a brother to Hear The Drums who made his debut after a very comfortable victory in Scandinavians Championship for two-year-old horses. Top chance in this Breeders' Trophy Juvenile. 12 Maxmartin comes from a comfortable win in the Swedish Championships for two-year-old horses. This longer distance should not be a problem. 7 Would She was third to Cotton Eye Joe in the last race and clearly defeated. Place chance. 13 Chantal could never threaten Maxmartin in the last race. Finished to a nice second spot though. Place chance too.

7 Samara Bay has already scored three wins on this surface this year. Three kilo up after the latest win but faces nice conditions here with this apprentice. 13 Yalla Yalla is consistent and good and this gifted apprentice Malva Blademo claims three kilo off. 12 Tatum won over these conditions earlier this season. Better weight now and changes from side winkers to blinkers. 11 Innana Sacc is a three-year-old filly who showed great shape before being a non-starter. Typical outsider.

4 Sir Camelot comes from victory in Larch Aerespraemie after a strong finish. The stallion is developing well and should have top chance in this Breeders' Trophy Consolation. 9 Onyx comes from quite a good effort in the Danish Derby and Elione Chaves today is an advantage. 10 Iceman scored a nice third spot behind promising Unconquerable and won the race after. Is ridden with blinkers this time. Possible. 3 My Nikita was two lengths behind Sir Camelot two starts back and after that he never had a real chance in the Danish Derby. Place chance.

12 Hear The Drums finished strongly in Jockeyklubbens Grand Prix and won with three comfortable lengths at the end. Our pick. 6 Tin Win did alright in the last Hurricane race behind outstanding Steinar. Was as good as Hear The Drums in Kriteriet last year and just closely defeated then. Main challenger. 3 Titannia comes from a very easy win in the Danish Derby and this shorter distance is no problem. 2 Saigon has scored a couple of very nice wins. The big outsider in this race.

1 **Good Fortune** comes from a good second spot behind King David in Pokallöpnigen Won Breeders' Trophy Classic on Bro Park last year. Top chance to win. Banker. 3 **HollywoodBoulevard** has good skills but Good Fortune is often too strong. Has scored the wins in handicap races on the Örevoll track. 9 **Masseto** has been very consistent and good this season apart from the last performance. Should normally have place chance here. 10 **Thunder Mack** comes from a good third spot behind Ascot Brass. Has some place chance too here.
