7 Azure World faces nice weight conditions here and has earlier won over these circumstances together with Benedikte Rånäs. 5 Hope And Glory does not win very often nowadays but is in good shape and this 1100 dt is perfect. 4 How Dare You was not at his best in the last race. Scored two strong wins in a row over these conditions before that though. 10 Oliver has not won yet this season. Is in quite good form though and won three times last year. Outsider.

6 Atticus won Derby Trial but never had a chance after that in the Norwegian Derby and Norwegian St Leger. Our pick. 2 Dragonfly showed good form before becoming a non-starter. Has earlier won over similar circumstances on Övrevoll. Possible. 7 Caramel Lizard was only third in the last race as a favorite. Did alright anyway and is a challenger. 1 Golden Ticket is quite consistent and good without winning. Should get a nice journey with this number one. Outsider.

5 City Code is established in the sprint elite and was second to Kick On in this Norwegian Jockeyklubs Sprintløp last year. Our pick. 8 Soulofchess has been matched against the sprint elite as a three-year-old and done well. Possible challenger. 9 Canmore is in great shape and has two wins over these conditions. Should not be discounted despite tougher conditions. 4 Herewegodandy is up and down but really good every now and then. Will be ridden with flexible blinkers again and could cause a surprise.

1 Mozart does not start very often but is a well-bred three-year-old on the way up. Top chance in this open Bronze handicap. 5 Klint is in great shape. Early challenger but the gelding has never started on this surface. 2 Naasha failed in the last race. Has two wins over this 1600 dt and is normally a contender. 8 Corazon De Leon was just closely defeated by Kill The Cat in the last race. Is in good form and a possible challenger.
