KILASHEE isn't necessarily one to set your watch by, but she was a creditable second on her latest start in this sphere at Roscommon in September before winning well from the front over hurdles at Galway. If able to shrug off a low-key recent display at Thurles she could take some pegging back returned to fences in a race in which she is likely to benefit from a soft lead. Don Browne, Ireland

Mr A. J. Browne (71b/3kg)

Fair chaser. Good third of 11 in handicap hurdle at Limerick (22f, good, 9/4) 166 days ago, ridden too aggressively. Switches from hurdles to chase. Each-way shout.

Mr H. C. Swan

Lightly-raced maiden. 12/1, respectable fifth of 16 in handicap chase at Wexford (25f, good) 74 days ago, left with too much to do. Successful in a point last month, but much more on his plate here.

BETTING FORECAST:

10-3 Big Interest, **4-1** Con's Roc, **9-2** Bold Fury, **7-1** Fountain House, **17-2** Cadoudal Saint, **11-1** West of Carrig, **12-1** Kings Jet, **33-1** Yewtree Hill, **66-1** bar

TIMEFORM VIEW:

The vote goes to CON'S ROC, who landed a Limerick maiden hunter on his previous start under Rules last winter and while he was turned over when odds-on for an open point when last seen in January, he pulled well clear of the rest that day and his record between the flags is pretty compelling. Big Interest did the job well over this C&D during the spring and he is feared most. Bold Fury and Cadoudal Saint are others to consider.

JOHN THOMAS McNAMARA SERIES (Q.R.) HANDICAP HURDLE 4yo+ €12,000 2½m80y (4100 Metres)

Going: **Heavy**

Fairyhouse is a wide, galloping, square right-handed track, a mile and three quarters in extent. There is a steady climb on the side away from the stands before a steady descent in the back straight. The three-furlong home straight is slightly uphill but the track is not a testing one and favours no particular type of horse. There are two chase courses, one with twelve fences to a circuit while the inner course has eight.

Pace Information: **Even**

John Joseph Hanlon, Ireland *Ms K M Ryan (4lb/2kg)*
Fairly useful hurdler at best. Latest win in a chase at Gowran in February 2024. Not in the same form when fifth of 6 in handicap chase at Carlisle (20.9f, soft, 9/2) the following month, finding little. Off 20 months and market should guide expectation on return to hurdles.

Charles Byrnes, Ireland *Mr A. D. Bustin (2lb/1kg)*
Strong travelling sort was well-backed and produced a career best when winning 6-runner handicap hurdle at Limerick (16f, heavy, 15/8) in January. Back up in trip and may well follow up if settling on reappearance.

Gavin Patrick Cromwell, Ireland *Mr B. M. Coonan (2lb/1kg)*
Fairly useful winner at 19f in chases. Ran creditably back over hurdles on return from 4 months off when third of 16 in handicap hurdle at Listowel (18f, soft, 7/2). Arrives on the back of a further absence but he's a definite player if the market suggests he's ready to roll.

Remains a maiden but is on a career low mark now and shaped better than the distance beaten suggests when fifth of 13 in handicap hurdle at Limerick (19.4f, heavy, 12/1) 23 days ago, unable to sustain effort. Could be interesting with tongue strap on first time.

Maiden wore cheekpieces on for first time (retained) but didn't get home when fifth of 11 in handicap hurdle (16/1) at Limerick (24f, heavy) 23 days ago. Back down in trip but needs more to get off the mark.

Rodger Sweeney, Ireland *Mr J. P. Collins (4lb/2kg)*
Well backed (and fortunate) when winning 14-runner maiden hurdle at Thurles (20f, good to soft, 9/2), just holding on. Upped in trip when creditable eighth of 17 handicap hurdle debut at Naas (23.6f, good to soft). Back down in trip and may need some respite from the handicapper.

Winner over hurdles at Wexford (17f) in May. Respectable efforts next 2 starts prior to suffering a luckless time over fences, saddle slipped when pulled up in novice chase at Sligo (21.1f, good to soft) 41 days ago. Could be competitive back over hurdles.

Showed promise in maiden hurdles but found step up in trip a shade too much in testing ground when fourth of 11 in handicap hurdle at Limerick (24f, heavy) 23 days ago. One to consider back down in distance.

TIMEFORM VIEW:

Conditions are likely to be very testing but ON YOUR WAY shaped as if there could be more to come when winning on heavy ground at Limerick in January and may be able to follow up if settling back up in distance on return. Blue Reed finished second in back-to-back 2½ handicaps on soft/heavy last season and has been given a chance by the handicapper, while it'll be interesting to see what the market makes of Gavin Cromwell's trio of interesting runners.

3 ESCAPEFROMREALITY (IRE) 80
6 12-0 | 76.2kg

 Mary E Doyle, Ireland **Mr B. Dunleavy (71b/3kg)**
Winning pointer, third last time (Oct 26). The betting should help guide to expectations on bumper debut.

5 JET TO MONTE CARLO (IRE) 92

8 WEESPOOF (IRE) 80
6 12-0 | 76.2kg

 Gerald Stephen Quinn, Ireland **Mr N. McParlan**
Dual point winner, pulled up last time (Oct 11). Stable has a good bumper record in Britain but isn't as prolific over here.

UNFLINCHING has had the form of his point win in the spring boosted and is taken to follow up on his bumper debut for Gordon Elliott. Jet To Monte Carlo is another who has switched to a good stable having won a point and is feared most in a contest where the betting is likely to be informative.
